

Today in the Quad- Cities

How to write a thorough biography of Abraham Lincoln as brief as President Lincoln's Gettysburg Address? Carl Sandburg, "the prairie poet," undertook and accomplished the task in 1957:

Born February 12, 1809, near Hodgenville, Kentucky, in a clay floor cabin, no windows and one door, Abraham Lincoln grew up in wilderness in summer barefoot, his winter footwear deerskin moccasins.

Grammar, history, surveying, he learned from books alone, often by candle or woodfire light.

The family moved to Indiana, then to

Illinois, where the boy at 21 took up life at New Salem, pioneer hilltop on the Sangamon River.

As a storekeeper in New Salem, Lincoln was popular, well liked, but a business failure. Moving from New Salem to nearby Springfield, he there practiced law and spent most of his life.

In politics he won office in eight out of eleven elections. Amid conditions requiring a "dark horse" candidate for President, he was elected and took oath of office amid the wild storm of a divided nation.

He headed and directed the 1861-65 war of the northern states against southern secession and independence. His was the master mind of a conflict employing larger armies across a wider area than ever before in human history.

If Washington achieved independence for the American republic, Lincoln was more than any other man the architect of the union.

The chief memorial to him is a united nation and love and reverence of him among millions in America and in the family of man over the earth. More than

6,000 books and pamphlets have been written about him.

His acts and utterances over fifty-six years of life are taken by man, the world over, as the best personal key to the mysteries of democracy and popular government. He is seen as a symbol of his nation being truly "the last best hope of earth."

The marvelously mingled tragic and comic elements of his personality brought one comment: "Perhaps no other human clay-pot has held more laughter and tears."

4-town sewer plans approved

By GARY SCHNEIDER
Press-Record Staff Writer

Final state approval of engineering plans for the proposed Four Township Sanitary Sewer program was received here yesterday. Ed Juneau of the Sheppard, Morgan & Schwaab engineering and consulting firm, the project's engineer, announced upon receipt of the verification.

Official written approval of the plans was received from the Illinois Environmental Protection Agency Tuesday at the Alton office and a representative of Sheppard, Morgan & Schwaab carried the official letter to Juneau yesterday morning.

Despite approval of the engineering much work remains to be done before actual construction of the sewers can start.

Work is being carried out on three fronts, all of which are essential for the program to get off the drawing boards.

Thomas B. Flatland, vice-president of Van Kampen Waulerlek & Brown, Inc., Chicago, is handling details for one of the most critical parts of the project, that of raising the nearly \$4 million local share of the cost of the project.

Locally, officials of Nameeki, Chouteau and Venice townships (Continued on Page 3)

GOOD NEWS is to be shared, which is exactly what Walter Sparks, holding papers, is doing with the Four Township Sanitary Sewer Committee yesterday. He announced that the Illinois Environmental Protection Agency has granted approval to engineering plans for the \$14

million project. Funeral services were held Tuesday for Mrs. Pearl Giffin, 78, of 2107 Kirkpatrick Homes, who was slain in her apartment Friday night, allegedly by burglars who broke into her home.

Sieve Strubberg, 19, of 4510 Kirkpatrick Homes, remained in the Madison County Jail at Edwardsville this week in lieu of \$405,000 bond on charges of murder and burglary. He has been in custody since the afternoon of the murder.

Two juveniles, ages 14 and 15, also are in custody for possible juvenile court action in connection with the murder and burglary.

Lincoln—giant of a man

(13th of a Bicentennial year Press-Record series)

Today's 13th in a year-long series of historical articles appears on the 167th anniversary of the birth of "Abe Lincoln of Illinois," the nation's 16th President.

The late U.S. Senator Everett M. Dirksen in 1968 wrote of "gallant men and women of the Land of Lincoln."

The senator commented that "gallantry of spirit and of deed has characterized the sons and daughters of Illinois throughout her magnificent history."

Sen. Dirksen's comments on President Lincoln follow:

"A man of all generations—son of Illinois—President of the United States—Abraham Lincoln was each and all of these, but he was a great deal more as well.

"For this was a man of many parts, all of them human and most of them great."

"This was the politician who in 30 long years of devoted service in his party's ranks came to realize that politics, like life, is the art of achieving the possible and who learned, with the decay of the Whig Party, the turbulence of the Mexican War period, and the onset of the Missouri Compromise that he had nothing whatever in common with political platitudes and with men of no discernible principle."

"This, too, was the husband and father whose home life was torn by strife and dissension and the tragic death of children."

"Yet it is not for us, now or ever, to judge Mary Todd (Continued on Page 3)

Gas rate decrease

An adjustment of natural gas rates by Illinois Power Co. to establish uniform charges for its 354,000 Illinois customers was approved by the Illinois Commerce Commission at Springfield yesterday.

The order will mean that rates will decrease for some areas—including the Quad-Cities—and will increase in others. The adjustment will not affect the utility's total revenue.

According to an ICC spokesman, the rate increases will be implemented in three steps over one year beginning March 1, while the decreases will take effect all at once on March 1.

The ICC said the annual gas bill for Illinois Power customers will decrease an average of \$24.22 for customers in Granite

City, Madison, Venice, Pontoon Beach, Mitchell, Edwardsville, Collinsville, Belleville, Wood River and East St. Louis, and an average of \$18.55 for customers in Centralia, Kewanee, Mount Vernon and LaSalle-Peru.

Illinois Power serves areas as far north as the LaSalle-Peru area and as far south as Shawneetown.

Clinton, Decatur, Galesburg, Jacksonville, Danville and Urbana, and \$10.75 in each step for customers in 30 small communities between Rock Island and LaSalle-Peru.

Illinois Power serves areas as far north as the LaSalle-Peru area and as far south as Shawneetown.

Investigation

(Continued from Page 1)

held at St. John's United Church of Christ, 2801 Namecki Road, with burial in St. John's Cemetery. Moose Lodge and Navy Mothers' services were held at a Granite City funeral home Monday evening for Mrs. Giffin, who was an active member of many organizations. She suffered a broken skull and massive trauma to her brain when struck behind the left ear with what police believe may have been a club. They have seized a club as evidence. Authorities speculate she may have been asleep or may have just been awakened when struck and killed. She was in bed in her nightgown when found.

Granite City police went to court in Edwardsville yesterday and obtained a court order enabling them to take physical samples, including blood and hair, from Strubberg and the juveniles.

The samples were taken yesterday and were sent to the Illinois Bureau of Investigation crime laboratory, along with about 85 items found at or near the murder scene, including the club.

Items being tested by the FBI also include Mrs. Giffin's purse allegedly found on the roof above Strubberg's apartment, and several items believed taken from Mrs. Giffin's home and allegedly recovered in Strubberg's apartment.

Crime laboratory experts also were at the Granite City Police Department yesterday, dusting

the front door and screen door from Mrs. Giffin's home for fingerprints or other evidence. Both doors have been held as possible evidence.

"Work now is centering on a lot of laboratory work, paperwork and inventorying everything. We even vacuumed the floor of Mrs. Giffin's apartment and are searching through the dust for hairs or other evidence," a police spokesman said.

He said the Granite City Police Department is working closely with the Madison County State's Attorney's office in preparing the murder and burglary cases.

Evidence is being assembled for a preliminary hearing on Strubberg's case which is expected to be scheduled in the next few days.

One policeman who is working on the case said there appears to be "little likelihood" the case will be presented to a Madison County grand jury meeting today, but when the case is prepared will be presented either to a grand jury or to the state's attorney with a request for an information to be filed against Strubberg.

Mrs. Giffin's survivors include two daughters, Mrs. Kenneth (Opal) Sipes of Madison, and Mrs. Lewis (Doris) Labory of Granite City; two sons, Fred Giffin of Sterling Heights, Mich.; a sister, Mrs. Lois Pullen of Alton; 17 grandchildren and 14 great-grandchildren.

Sewer plans

(Continued from Page 1)

are attempting to reach agreements with the final holdouts for free easements for the sewers. Neighbors are being requested to call on those who have refused to grant free easements, so all sewer lines can run behind the homes, rather than in streets.

The Madison County Special Sewer Committee, which is planning the sewers, also has its work cut out, as it must finalize agreements with Collinsville and with Granite City to use the existing sewers in those cities, as well as the two cities' sewage treatment facilities.

Although the sewer committee has not committed itself to any single means of financing the local share of the sewer construction and maintenance costs, most officials seem to be establishing a special taxing district which would include only the sewer users.

A list of those proposed for inclusion in the taxing district, as well as the assessed valuation of each property, is being prepared in each township for the Chicago bonding firm.

The total valuation of the district will be needed to determine if it is sufficient to be used as the base for a taxing district. Officials feel more than \$1 million can be saved through the sale of tax-repaid general obligation bonds rather than selling revenue bonds which would be repaid through tap-on fees and user fees.

Each will then be given a period in which to respond to the letter and to attempt to have the district area removed from the proposed district, if he does not want sanitary sewer service.

After the boundaries of the taxing district are set and the assessed valuation determined, Platland can prepare more specific figures on the proposed tap-on fee and proposed user tax.

Meanwhile, the sewer committee, headed by Chouteau

Township Supervisor Walter "Red" Sparks, has been trying to encourage the Granite City and Collinsville City Councils to quickly approve agreements for the use of some sections of the existing city sewers as well as the sewage treatment plants for the sewage from the Four Township system.

The committee met recently with Collinsville officials and left with a list of questions. Answers were quickly prepared and returned to the officials, with a request that they act on an agreement as soon as possible.

Collinsville wanted to know what percentage of the sewage treated at the Collinsville treatment plant would be from the proposed sewer which would serve the State Park Place area of Namecki Township.

The committee answered the amount would not exceed six percent of the total treated at the plant.

Collinsville also wanted to know the anticipated maximum growth potential of the area to be served by the State Park Place sewer line and the committee estimated it could grow to more than 1,700 persons.

A third question was, "Who will be responsible for paying the bills incurred?" The committee responded that Madison County is the sponsoring agent, but the bills will have to be paid by the new sewer district.

Collinsville officials have not yet responded to the committee's answers.

Granite City may be even more difficult for the committee to deal with. At a recent city council meeting, some council members said they feel the new sewer committee should pay half the cost of maintaining existing sewers through which the new sewage would flow, enroute to the treatment plant.

The committee attorney wrote the council last month requesting a meeting as soon as possible with the city's sewage treatment plant committee, but no reply to that request had

been received by this week. Juneau said the committee and the Granite City Council do have an agreement, but must settle on a fair price for use of the existing sewers. The state considers that "an internal problem," so it did not affect approval of those sections going to the Granite City treatment facilities.

Plans call for three new sewer systems—one from State Park Place going into existing Collinsville sewers; one sweeping around Namecki and Chouteau Townships and emptying into existing Granite City sewers on the Granite City Army installation, and the third running from Eagle Park Acres and the Cloverleaf Subdivision south of Madison to near 16th and Iowa streets where it will empty into a large cast-iron city sewer.

The last two sewer systems will flow in city sewers to the city's sewage treatment plant and new secondary treatment plant.

Final approval on the State Park Place line is being withheld by the state pending a written agreement with Collinsville. "Approval will be automatic after that, since they already have approved the engineering," Juneau explained.

Interceptor sewers will be constructed throughout the areas to be served which will empty into the new collector sewers.

The state has offered a \$10,300,000 grant to the committee to construct the sewers. The remaining cost, estimated at nearly \$4 million will have to be borne by the users.

Recent estimates are that persons in a special taxing district would pay \$30 to \$50 more per year on their tax bills for sewer service, if the general obligation bond method is used.

If revenue bonds are sold at highly interest rates and then are discounted to make their sale more attractive, it is

Will reject tuition hike

Gov. Dan Walker today announced he would reject the tuition increase for students at state universities proposed by the Illinois Board of Higher Education.

Tuition for undergraduate students would increase \$60 a year and for graduate students \$80 a year. Walker said that would seriously hurt students and their families with middle incomes whose earnings have been hard hit by inflation.

Adam Papciak, 70, succumbs

Adam A. Papciak, 70, of Belleville, a brother of Mrs. John (Stella) Halwachs of Granite City, died Tuesday at Memorial Hospital, Belleville.

Adam surviving are five other sisters and one brother. Funeral services will be at 10 a.m. Saturday at Our Lady Queen of Peace Catholic Church, Belleville.

Mr. Papciak was a retired butcher for the Hunter Packing Co., East St. Louis.

Lincoln

(Continued from Page 1)

Lincoln. The heart of a wife and the heart of a husband can best be known only to themselves and what a woman says to a man and what a man says to a woman should often, as the ancients knew, be written on the wrist.

"It will become us better to remember that Mary Todd and Abraham Lincoln sat fondly holding hands in a darkened box in Ford's Theatre on the night of Good Friday, 1865.

But this, too, was the President—the President and Commander-in-Chief—devoted above all else to preserving the Union "with the dignity, equality and rights of the several states unimpaired." So he said; so he did.

"And in so doing, he brought freedom to the enslaved. "As he wrote in his annual message—following the Emancipation Proclamation: "In giving freedom to the slave, we assure freedom for the free, honorable alike in what we give and in what we preserve."

"This was Abraham Lincoln, politician, husband and father, President and Commander-in-Chief, martyr for all mankind.

"He was a man of such dimensions that he made all others seem small, though he would have been the very last to wish to do so.

"These dimensions were not merely physical, not just the 6-foot-4 of him or the gaunt, bony frame of him, but the great soul and heart of him as well.

"For this was the Bible-reading lad come out of the wilderness, following a prairie star, filled with wonder at the world and its Maker, who all his life, boy and man, not only knew the 23rd Psalm but, more im-

portantly, knew the Shepherd. "Now, in 1968, it seems possible that we shall never see his like again. This is a sobering thought, but it should be a kindling one.

"For upon us now, as a people, has been laid perhaps the greatest responsibility any nation was ever asked to shoulder, yet certainly not greater than we can bear.

"Our days are no longer than were Lincoln's, our night are no darker.

"And if there is any difference between his time and this it lies in the tremendous advantage that is ours, that this son of Illinois stood so tall before us."

Filing for judgeship to end

Several applications have been received by the Third Judicial Circuit Court for a new associate judge post, but under a new ruling by the state office of court administrator, the names of the applicants can not be released until after the end of the filing period Friday afternoon.

The Third Judicial Circuit has been attempting for several years to have the Illinois Supreme Court authorize an additional associate judge position, due to a heavy caseload.

The salary is \$37,500 per year. Any attorney licensed to practice law in Illinois may

apply at the office of Chief Circuit Judge Joseph J. Barr in Edwardsville.

The circuit judges will vote on the applicants to determine who will fill the new position. The applicant will provide nine associate judges and eight circuit judges in the Third Judicial Circuit, which serves Madison and Bond counties.

KAPPA DELTA SPEAKER

Kappa Delta Pi, an honor society in education, will meet Saturday at 6:30 p.m. at Doback's Restaurant, Fairview Heights. The speaker will be Dr. John L. Oldani on "American Folklore."

Tuition drive meeting tonight

Lincoln's birthday today is the date set for a second student meeting concerning opposition to a proposed tuition increase at public colleges and universities in Illinois.

Students, representing SIUE, student organizations, will meet at 7 p.m. in the International Room of the University Center to plan further strategy.

At the first meeting Jan. 29, student body President Rob Roberts asked students to participate in a petition drive and urged them to vote in state elections. He noted that the Illinois Board of Higher Education is recommending a tuition increase.

Petitions have been circulated by students and will be presented to Gov. Daniel Walker and the General Assembly before the March 16 primary election. Roberts hopes to be able to get at least 1,000 names on the petitions.

Tonight's meeting is the cutoff date set for turning in petitions, and petitions containing over 1,000 names have been turned in so far.

More holiday closings Monday

Quadrant area post offices, banks, savings and loan firms and Illinois state offices will close Monday in observance of George Washington's birthday.

900 without phones after cable is cut

Customers in the Stallings area and along Route 111 from Pontoon Road to State and Route 35 were without telephone service much of yesterday afternoon and last night as an underground telephone line was severed.

A spokesman for Illinois Bell Telephone Co. said the cable was believed cut by an Illinois State Highway Department crew installing interchanges along Route 111 near State Aid Route 35.

The cable had 1,200 pairs of wires which served about 900 customers, according to the spokesman.

Emergency crews and repair crews were dispatched to the break immediately and began excavating the cable and started the tedious job of matching the correct ends of the severed wires.

Illinois Bell sent a car with emergency mobile telephones to Route 111 and State Aid Route 35 to provide emergency

Public and parochial schools will be open, however, with one exception, St. Mary's-St. Mark's School which will dismiss classes for the holiday.

State offices that will mark the holiday include the Illinois State Employment Service, the Unemployment Compensation Division and the Drivers' License Bureau, all of which are closed today in observance of Lincoln's birthday.

The Madison County courthouse at Edwardsville was closed today for Lincoln's birthday and will close again Monday.

The office of County Clerk Evelyn Bennett will be open during the regular hours Monday only to accept voter registrations for the March 16 primary election. Monday is the deadline for registration.

Reagan returns to state Friday

Ronald Reagan will return to his native state tomorrow for the second time since announcing his candidacy for the Republican Presidential nomination.

The one-day itinerary calls for visits to Kankakee, Alsip, Lincolnshire and DuPage County. His previous visit on Jan. 12 took him to Springfield, Bloomington and Rockford.

Former California Governor Reagan will begin the campaign day with a ranch-style breakfast in Kankakee where he will address a gathering and hold a question-and-answer session with citizens before departing for Alsip in suburban Cook County.

In Lincolnshire, he will greet 1,500 at an evening reception. Later, Reagan will address a DuPage County to address a "candidates night" sponsored by the DuPage Federation of Republican Women's Clubs at the Elmhurst Country Club in Wood Dale.

Reagan will leave at 9 p.m. Friday to fly to Florida.

2nd textbook referral plan

Southern Illinois University at Carbondale will be able to buy textbooks and course-related books at a savings later this quarter.

According to Student Senator Kay Firsching, the Student Senate will offer a textbook referral service starting Monday, March 15.

The service will allow people to sell books they have used in various classes. In turn, it will benefit the student who wants to buy texts for certain courses.

Miss Firsching said, "A person lists the name of the book, the condition, the price he wants for it and his phone number on a card. The cards are displayed for the student public, so anyone looking for that book can see the card, call the owner and buy the book," she explained.

The cards will be put on the large bulletin board in the University Bookstore, she added. She said she works in the bookstore so that she can keep a watch on the cards.

The referral service was used once before, last fall. Its initiator, Bob Gill, said the response was good but organizational problems caused it to be disbanded.

Black History Week program at Dunbar

Residents of the Madison and Venice area are being invited to visit Dunbar school, Third and Jackson streets, Madison, at 10 a.m. Friday to attend the program "Profiles in Progress," according to Bernard Long, principal.

There is no admission charge. The program will be held in the gymnasium.

The program will recognize the many advancements, achievements, and strides made by Black Americans and is part of the school's Black History Week studies that began Monday.

DEBRA BUEER IN RECITAL SUNDAY AT 3RD BAPTIST

Debra Bueer of Granite City will present a junior piano recital at 2 p.m. Sunday at Third Baptist Church. The public is invited to attend.

Miss Bueer is a student of Mrs. Marge Ellsworth.

The referral service was used once before, last fall. Its initiator, Bob Gill, said the response was good but organizational problems caused it to be disbanded.

Those four words can transform your life. Have faith. Do your best that every person in the world has faith. Faith is after all the substance of things hoped for, it is the evidence of things not seen. You exercise faith every time you put the key in the ignition of your car. The car hasn't started yet but you believe that it will. When you approach the traffic light and it turns red you believe your brakes will hold before you get there.

It is evident in many many ways that you are exercising some kind of faith. Why not place your faith in God? With God ALL THINGS are possible. Every trial, tribulation or mountain in your life can be overcome if you have faith in Him. Instead of assuming that God does not hear prayers or give answers simply assume that He does and your faith is working. Try it. TODAY!

Candidate Demuzio would 'watch taxpayer dollars'

"I am very familiar with the Quad-City area, having worked and taught here, and I know what taxpayers in the Quad-City area expect of their top state executives," State Sen. Vince Demuzio (D-Carlisle), candidate for Illinois secretary of state, said, during a Press-Record interview this week.

Demuzio is running on the ticket headed by Gov. Daniel Walker, who is seeking re-election.

"People here, and throughout the state, want the same thing—a secretary of state who watches over each of their tax dollars the way he would watch his own money being spent. I would be that kind of secretary of state," he pledged.

Demuzio was born and raised in Gillespie. He worked for the Terminal Railroad Association in 1959 and 1960 as a yard clerk in the Madison yards.

During the 1961-62 school year, he taught at St. Mary's School in Madison while attending Southern Illinois University at Alton and Edwardsville.

He has attended college part-time for nearly 10 years and is continuing to seek his degree. Sen. Demuzio was educated at Saints Simon and Jude elementary school and public high school in Gillespie.

Demuzio's father and his grandfather, who both emigrated from Italy in 1928, were coal miners in central and southern Illinois.

Demuzio was nominated for his Senate seat in 1974, following a vigorous primary contest. He defeated incumbent Senator A. C. (Junie) Bartulis (R-Bend), an anti-labor candidate, in the November 1974 election.

He is vice-chairman of the Senate Finance and Credit Regulation Committee and chairman of the Branch Banking Subcommittee.

Demuzio is a member of the Joint House-Senate Child Care Study Committee, the Commission to Visit and Examine State Institutions and Nursing Homes, the Council on Aging, the Commission on Mental Health and Developmental Disabilities, and the Senate Committees on Agriculture, Conservation, and Energy; Local Government, and Public Health, Welfare and Corrections.

Demuzio is a member of the executive board of the Central Illinois Health Planning Council.

Before his election, Demuzio was executive director of the Illinois Valley Economic Development Corporation, a not-for-profit corporation which provides job training and help for elderly and children in Greene and Calhoun Counties.

VINCE DEMUZIO

was executive director of the Illinois Valley Economic Development Corporation, a not-for-profit corporation which provides job training and help for elderly and children in Greene and Calhoun Counties.

He has been the consumer representative on the State Comprehensive Health Planning Advisory Council. Demuzio has also served on the equal educational opportunities committee to the Illinois State Scholarship Commission.

Demuzio successfully sponsored in the Illinois Senate the comprehensive new law protecting coal miners and, for the first time, giving a coal miner the right to refuse to work in a mine he considers unsafe. The mine safety law also raised surface mining safety standards, making them as strict as federal regulations.

As senator, he worked to pass the Senate bill increasing unemployment insurance benefits and changing the law to allow benefits for workers honoring picket lines. He supported House Bill 690, and because of that bill Illinois now provides up to a year in jail and fines up to \$1,000 for professional strikebreakers.

Demuzio was one of 35 Senators voting for an increased minimum wage and he supports the suit arguing that Senate President Pardee acted unconstitutionally in ruling the bill dead.

He also was co-sponsor of bills which raise workman's compensation benefits. Workers now receive two-thirds of their weekly salary up to \$205. And a

worker may now choose his own doctor.

In addition, Demuzio was co-sponsor of a bill to give public school employees the right to organize and bargain collectively. Failing to pass the Senate by three votes, it is a bill Demuzio plans to support again next year.

Demuzio also sponsored other key legislation, including the new state boating safety law and repeal of the state park fee for senior citizens and handicapped people.

He sponsored the new law which combines the state health planning agency in the Department of Public Health, saving the administrative cost of a separate agency.

Demuzio was the first candidate for secretary of state in either party to endorse the Illinois Political Honesty Initiative.

At press conferences in Springfield and Chicago Demuzio criticized his Democratic primary opponent for his refusal to endorse the good-government move.

"Alan Dixon's silence," Demuzio said, "even on this move for clean and honest government, shows more clearly than words how tied he is to the special interests."

Challenging his opponent to do the same, Demuzio made complete disclosure of his personal finances. In press conferences held both in Springfield and Chicago, Demuzio revealed personal net worth of \$42,050.

"During 25 years as a politician he has never taken this step," Demuzio said of his opponent, State Treasurer Alan Dixon.

Demuzio's financial statement showed his \$20,000 state senator's salary as his only income and showed only \$850 in checking and savings accounts.

His \$45,000 personal residence and \$21,870 in other property and insurance values, were his only other assets while he earned a \$21,669 mortgage on his home and a \$4,000 automobile loan as liabilities, leaving his net worth at \$42,050.

"I'm definitely the workman's candidate, not the rich man's," he said, pointing to his small savings.

Demuzio criticized Secretary of State Michael Howlett for violating state law by employing the wife of House Majority Leader Gerald Shea, Chicago, Mayor Richard J.

Daley's chief spokesman, as a \$150-a-day, part-time legal adviser for the last three years.

"What Howlett has done is clearly illegal. We do not need, as Howlett has requested, the attorney general's opinion. Hiring Mrs. Shea violated state law," Senator Demuzio alleged.

"Mike Howlett owes the people of this state a full explanation. In December, newspapers reported that he also had awarded management consulting contracts for \$200,000 which there was little available evidence of work performed."

"It's time for Howlett to tell the people of this state who else has received contracts from him. And it's also time for my opponent in the Democratic primary, Alan Dixon, to start speaking out against corruption of this sort."

"It's time for the silence of both Howlett's and Dixon's to end," he stated.

Messengers said to save on state funds

The centralized mail and messenger service operated by the Illinois Department of General Services saved the state \$731,000 in postage on interagency mail between Springfield and Chicago during the first six months of the 1975-76 fiscal year, the department said this week.

Total savings during 1974-75, the first full year of the service, amounted to \$736,000.

The centralized service, initiated March 1, 1974, by Director Roland W. Burris, provides intrastate and overnight delivery of mail and packages to about 140 state offices in Chicago and 110 offices in Springfield.

General Services' Division of Office Services, attributed the increase in savings to the addition of the Illinois Department of Public Aid to the list of agencies served. Public Aid and the Department of Children and Family Services were added to the mail route on Sept. 2, 1975.

"We transport an average of 375 pounds of public aid mail per day between Springfield and Chicago," said Johnson, who added that the new increase in postal rates will make the mail and messenger service "an even bigger money saver."

Dixon was re-elected to the House for five consecutive terms (1952-1960) and served on every major committee. He was chairman of the House Judiciary Committee in 1959 and 1961.

It was during this period that he became familiar with state fiscal and revenue programs.

In 1962 he was elected to his first term in the Illinois Senate, and was re-elected in 1966.

After only two years in the upper house, he was named Senate minority whip. A newspaper referred to him as "one of the outstanding orators of the Democratic party."

His name became identified with much legislation—such as a revised state criminal code, minimum wage bills, judicial election reform, and consumer fraud.

Dixon won praise from such diverse groups as the Taxpayers Federation of Illinois, Illinois Farm Bureau, Illinois AFL-CIO and Illinois Retail Merchants Association.

His attendance record in both the House and Senate was one of the best in the legislature. From 1950 to 1970, he voted on every major bill affecting the office of state treasurer.

Dixon pledges efficiency in state secretary post

Alan J. Dixon, Belleville, is a Democratic candidate for the office of Illinois secretary of state. His March 15 primary opponent is State Sen. Vince Demuzio.

Dixon, 48, was elected as state treasurer in 1970 and was re-elected to a second four-year term as treasurer in 1974, gaining an overwhelming victory.

He initially considered running for governor this year and later was endorsed by the Illinois Democratic Central Committee for the secretary's office now held by Michael J. Howlett. The latter is opposing Governor Daniel Walker in the Democratic primary.

In Illinois, the office of secretary of state has a much wider range of duties and responsibilities than in the case in most other states. As a consequence, Dixon regards the office as second in importance in Illinois only to the position of governor.

The size of the staff is vast, and Howlett is regarded as having succeeded in improving efficiency and reducing costs. Dixon has pledged to continue such reforms.

As treasurer, Dixon has been able to achieve record investment earnings for the benefit of taxpayers.

In addition, although state payments by the executive branch have been assailed for long delays, Dixon has made it a policy to have financial transactions clear the treasurer's office within hours of their receipt.

An attorney, businessman, banker and leader of his party on the floor of the State Senate, he initially won elective office at age 21.

In 1960, at age 23, Dixon was elected to the State House of Representatives and was the youngest member of the Illinois legislature. He won the Independent Voters of Illinois' "outstanding legislator award" on three occasions.

Dixon also was a member of the Constitutional Study Commission, which recommended the calling of the constitutional convention that led to public approval of the 1970 State Constitution.

A graduate of the University of Illinois and Washington University Law School in St. Louis, he was the senior partner in the law firm of Dixon, McDonnell & Belleville before becoming state treasurer.

He formerly was a partner of former Lieutenant Governor Paul Simon in a chain of independent weekly newspapers throughout the state.

Dixon has been a member of the Illinois State Bar Association, St. Clair County Bar Association and American Trial Lawyers Association.

He is past president of the Young Democrats of Illinois, a member of the Chamber of Commerce, past adjutant of the Belleville American Legion post and a member of the Amvets and the Navy Club.

Dixon was born and raised in Belleville. He and his wife, the former Joan Fox, have three children, Stephanie, 21, Jeffrey, 19, and Elizabeth, 15.

During his tenure as state treasurer, the office has produced record earnings through fund investment.

After only two years in the upper house, he was named Senate minority whip. A newspaper referred to him as "one of the outstanding orators of the Democratic party."

His name became identified with much legislation—such as a revised state criminal code, minimum wage bills, judicial election reform, and consumer fraud.

Dixon won praise from such diverse groups as the Taxpayers Federation of Illinois, Illinois Farm Bureau, Illinois AFL-CIO and Illinois Retail Merchants Association.

His attendance record in both the House and Senate was one of the best in the legislature. From 1950 to 1970, he voted on every major bill affecting the office of state treasurer.

As chairman of the Judicial Advisory Council beginning in 1961, he achieved comprehensive knowledge of criminal jurisprudence and the Illinois judicial system.

Dixon also was a member of the Constitutional Study Commission, which recommended the calling of the constitutional convention that led to public approval of the 1970 State Constitution.

A graduate of the University of Illinois and Washington University Law School in St. Louis, he was the senior partner in the law firm of Dixon, McDonnell & Belleville before becoming state treasurer.

He formerly was a partner of former Lieutenant Governor Paul Simon in a chain of independent weekly newspapers throughout the state.

Dixon has been a member of the Illinois State Bar Association, St. Clair County Bar Association and American Trial Lawyers Association.

He is past president of the Young Democrats of Illinois, a member of the Chamber of Commerce, past adjutant of the Belleville American Legion post and a member of the Amvets and the Navy Club.

Dixon was born and raised in Belleville. He and his wife, the former Joan Fox, have three children, Stephanie, 21, Jeffrey, 19, and Elizabeth, 15.

During his tenure as state treasurer, the office has produced record earnings through fund investment.

Trojans crush stalling Rams

A first-quarter stall by Missouri's Riverview Garden basketball team, in an attempt to prevent Madison High School from fast-breaking and to disconcert the favored Trojans, was effective for four minutes. But the Trojans opened up a big margin in the second period and won going away, 84-54.

Wilkinson to end head coaching duties after current season ends

Bryan Wilkinson, coach-mentor at GCHS South, is stepping down at the end of the 1975-76 season as the Warrior basketball head coach after "what will be" three years of "leading the team."

"I thought it the best thing to do as far as my family and 'career' are concerned," said Wilkinson in submitting his resignation.

He plans to remain as a teacher at South High and to continue as assistant football coach.

"It's a tough situation here," he comments, "and I just don't know what the solution is."

"So, I think it's time to let someone else give it a try."

Wilkinson, 33, came here at the start of the 1973-74 season from Dwight, Ill., High School, where as head basketball coach he has coached a seven-season record of 123 wins against 62 losses.

A native of West-Frankfort and a 1965 graduate of Southern

its 11th straight cage victory. MHS is now 19-2 for the season. Riverview's opening quarter tactics resulted in no Trojan scoring attempts until midway through the period, when Ron Jones stole the ball. He handed off to Joe Gulash, and then Ron Jones took a pass for a two-point layup.

Trojan Danny Bankhead broke the deadlock early in the second period, scoring three straight field goals before the Rams could quarter a point in that quarter. Bankhead tallied

eight of his 10 game points in that period.

At the buzzer ending the first half, a 40-foot desperation shot by Ron Jones found its mark, making the lead 13 points.

Madison shot 56 per cent from the field, 39 of 69, and the Rams 41 per cent, 18 of 43. From the free throw line, Riverview hit on 18 of 22 charity tosses and Madison six of 11.

The hosts committed the fewest fouls, 11-18, but had the most turnovers, 22-17.

For its 10th straight game,

Madison controlled the boards, 34-22, with Ron Jones pulling down seven and Randall Jones getting five rebounds.

Ten different Madison players put points on the scoreboard. Ron Jones had 22. Randall Jones 15, Bankhead and Edwin Garrett 10 each, Ron Williams and Gulash six each, Anthony Canada five, Curtis Bradley and Rodney Davis four each and Keith King, two points.

Final mat meet

The SIUE wrestling team (5-6) makes its final home appearance of the 1975-76 season Friday as the Cougars host Western Illinois University in a 7:30 p.m. match in Meridian Ballroom of the University Center. The match marks the final opportunity for Cougar wrestling fans to watch the senior members of the squad, including Frank Savagnano and Dennis Byrne, both two-time all-Americans.

STATE TOURNAMENT-BOUND BOWLERS of Granite City High School North who will compete at 8 a.m. tomorrow in the state girls' high school bowling tournament at Peoria. The young women earned their role in the state event by winning the district crown last weekend at Bowland Lanes here. In the front row, from

North in state bowling tourney opening Friday

Perennial powers Abingdon and Arlington Heights (Forest View) are expected to face strong challenges when 32 teams begin competition in the 4th annual Illinois High School Association (IHSA) girls' state bowling tournament this weekend at Town and Country Bowl, Peoria. Granite City High School North will participate as champion of its district tournament last weekend.

Abingdon, with only one senior on the 10 girl tournament squad, has been to the state final tournament in each of the four years of competition, and produced the second-best district score of 4,792 pins in winning the Avon title.

Forest View, paced by powerful Nancy Lachus, took its own title with a total pinfall of 4,761. The district leader, however, was Rockford (East), which rolled a 4,800 count (160 game average) in claiming the E-Rab's own district.

GCHS North scored 4243 in the district bowling, five girls each bowl six games.

Four other schools rate as serious threats based upon district performances. Chicago (Kennedy) took the Chicago Public League qualifying tournament with a four-round

160-game total of 9,328 pins, and is making its second straight trip to the state final tournament. In addition, suburban contenders Rolling Meadows (H.S.) at 4,625 and Evergreen Park at 4,642, along with Sterling (Twp.) at 4,641, could battle for team honors.

Competition gets under way Friday at 8 a.m. when 16 of the 32 finalists take to the alleys for first-round action.

The remaining 16 teams will roll their three-game series at 11 a.m. tomorrow.

The field will be narrowed to 16 teams for the quarterfinals Friday at 2 p.m.

From the quarterfinal round, the semifinals will advance to the semifinals, which will get under way at 9 a.m. Saturday.

The four surviving teams will meet in the finals at 1 p.m. Saturday.

Each team may include 10 bowlers on its tournament squad, but only five may bowl in each round. Each bowler will roll a three-game series per round.

Total team pinfall through completion of each round will determine the teams advancing to the next round.

The champion will be the team posting the highest total

SIUE wins, still unbeaten at 'home'

The SIUE basketball team defeated a stubborn Indiana U.-Purdue U.-Indianapolis team 77-59 Monday night on the Cougars' "home court," the Edwardsville High School gym. In beating the IPU Metro, the Cougars maintained their unbeaten (2-0) home record.

But the victory only raised their mark for 1975-76 to 8-14; there have been 20 games on the road.

On Saturday, SIUE will play at the University of Wisconsin-Milwaukee. On Wednesday, Feb. 18, the Cougars will play another "home" game, as Indiana U.-Northwest of Gary comes calling at the Edwardsville gym.

DUPO CLUB PLANS SOFTBALL LEAGUE

The Dupu Quarterback Club is seeking softball teams to participate in a men's slow-pitch league it is forming.

Teams will sign up Wednesday, Feb. 18, at the Dupu club's Bryant Field, starting at 7 p.m.

Persons wishing more information may call Glen George at 1-286-3441 or John Tilley at 1-286-3920.

pinfall for the four rounds of competition.

Abingdon took the first state title in 1973. Forest View took first in 1974 and finished second to Dixon last year.

Coach Terry Papa's North squad includes Jan Whitworth, Tammy Ambuhl, Janine Roe, Stephanie Winfield, Mary Brooks, Connie Acosta, Barb Brooks, Mary Sobol and Tammy Payne.

3 teams contending for ice hockey title

With only two more weekends of competition remaining in the Madison-St. Clair Ice Hockey League for age 19 and younger players, Granite City and Alton are still in close competition for the league championship despite both having lost during the weekend, Granite City 4-2 to Wood River and Alton 4-3 to O'Fallon.

O'Fallon has now moved into the picture as a possible contender for the title if the others lose again.

League standing as of today are: Alton 11-2 won-lost record, Granite City 10-3, O'Fallon 9-4, Wood River 5-8 and Collinsville and Belleville each 2-11.

Playing at the Wilson Park ice rink, Granite City will take on Belleville at 10:30 p.m. tomorrow.

On Saturday, Alton and Collinsville will clash at 10 p.m.

Coal still paces mineral production in this state

A final report on the Illinois mineral industry in 1973 and preliminary data for 1974 are now available from the Illinois State Geological Survey. It was announced this week. The booklet, Illinois Minerals Note 62, compiles information released since 1973 by govern-

ment and industry sources and is part of a series of such studies issued regularly by the Survey. In 1973, Illinois ranked tenth among the states in value of mineral production. The total value of mineral commodities extracted, processed and manufactured in the state was

almost \$1.6 billion.

Of this, \$789 million—about 48 per cent—was the value of the mineral materials mined or extracted here: coal, crude oil, natural gas, sand and gravel, stone and fluorspar, for example.

Coal was the major mineral

material mined in Illinois in 1973, as it will be in the predictable future. In 1973 and 1974, Illinois coal production ranked fourth in the nation: 61.6 million tons valued at \$413 million in 1973, and 58.1 million tons valued at \$381 million in 1974. The average f.o.b. mine value of coal increased from \$6.71 per ton in 1973 to \$10 in 1974. In 1973, men numbering 11,409 were employed in 24 underground and 32 strip mines in

the state. Their average hourly earnings were \$6.10, and they worked an average of 42.7 hours per week. Average productivity was 18.07 tons per man-day in underground mines and 35.80 tons per man per day in strip mines. The Illinois mineral industry provided employment for 148,000 people in 1973. Of the total of 40.6 million tons of coal used in Illinois in 1973, 29.1 million tons—71.6 per cent—were shipped from mines

4th graders visit symphony

Fourth grade students at Louis Beer School in Madison and fourth-grade students at Venice grade school attended a St. Louis Symphony concert at

within the state.

The amount of Illinois coal used in the state continued to decline as utility and industrial users replaced it with low-sulfur coal from Wyoming, Montana and the Appalachian region and with fuel oil and natural gas.

Powell Hall Wednesday, at the 11 a.m. performance. The Louis Beer students were accompanied by their teachers, Mrs. Dorothy Johnson and Mrs. Sharon Heubner.

Mrs. Helen Purkale is the teacher of the Venice students who attended. Tickets for the performance were purchased by the Venice-Madison Fine Arts Committee through a grant from the Illinois Arts Council, a state agency. The students received a pre-

concert lecture which included a slide presentation about the symphony orchestra and instruments of the orchestra. They also listened to recordings.

The program consisted of Copland's "Hoe-down from Rodeo," and the "Lincoln Portrait" (narrated by John Aule), Ives' "General Slocum" and "Variation on America." The program was directed by Gerhardt Zimmerman and entitled "Famous Moments in American History."

Drainage suit verdict favors Granite City

A jury verdict in a suit against Granite City in which two families sought a total of \$18,000 damages to their homes because of water in their basements has been returned in circuit court at Edwardsville in favor of the city.

The suit was filed by Mr. and Mrs. Gean Harris, 2829 Palmer Ave., and Mr. and Mrs. Don Reynolds, 2827 Palmer Ave., who alleged their homes were damaged structurally from drainage problems which they claimed resulted from a change in the grade level of sidewalks in front of their homes which caused water to drain toward the homes.

The suit charged the damages occurred after the city carried out a street improvement project on Palmer Avenue in the fall of 1971, during which new sidewalks were constructed.

Trial of the suit which was conducted for the city by Irvin Slate Jr., assistant city attorney, took four days. The jury deliberated 45 minutes before returning its verdict.

City Engineer, Monroe Brewer and Assistant City Engineer Edward Schulze were the only witnesses for the city.

WATCH, CASH MISSING
An \$80 wristwatch and \$92 in cash were stolen from a jewelry box at the home of Diana Means, 2415 Missouri Ave., it was reported at 2:35 p.m. Monday. There were no signs of forced entry to the house. The watch and cash were last seen Feb. 1.

2nd coal conversion pilot plan

Gov. Dan Walker this week announced that five major Illinois utility companies have submitted a joint plan to seek federal funding for construction of a new coal gasification demonstration plant in Southern Illinois.

Total costs of the project are estimated at \$200 million. The Illinois Coal Gasification Group filed plans for the plant with the Energy Research and Development Administration

(ERDA). Members of the group supply natural gas service to about 80 per cent of the state's population.

The demonstration plant would convert Illinois high-sulfur coal into a non-polluting synthetic fuel similar to natural gas. The proposed plant would be located in Southern Illinois. The exact site is to be announced at a later time.

ERDA will evaluate the group's proposal along with

other applications from competing states also seeking federal assistance for coal gasification projects. A decision on the proposals is expected between June and September. The group could seek state bond funds made available by the Illinois coal development bond issue upon selection of the proposal by ERDA. The proposed use of state funds is subject to approval by the Illinois Energy Resources

GRANITE CITY PRESS-RECORD Thurs., Feb. 12, 1976 Page 9

Commission.

Utilities participating in the group are Northern Illinois Gas Co., Aurora; People Gas Light and Coke Co., Chicago; Central Illinois Public Service Co., Springfield; Central Illinois Light Co., Peoria; and North Shore Gas Co., Waukegan.

The project would be completed in eight years. First stage of the project involves 30 months of development and engineering design. The next 34

months would be for construction, followed by 42 months of plant operation, testing and evaluation.

The plant is to provide 400 permanent jobs when it begins operations.

Under the proposal, costs of the engineering phase would be funded totally by the federal government. Costs for the remainder of the project would be shared by the group and the state and federal government.

COGAS Development Co. of Princeton, N.J., is the principal license holder for the gasification process. Dravo Corp. of Pittsburgh is the architect and engineer.

In November, ERDA selected New Athens, Ill., as the site for a \$227.2 million Coalcon coal conversion plant. It will be the largest coal conversion project in the country. The state will contribute \$25 million in energy bond funds for it.

Gov. Walker said Monday, "We are pleased that the private utilities that are members of the Illinois Coal

Gasification Group are aggressively seeking another coal gasification plant for Illinois.

"Illinois has established itself in a leadership role in the nation's search for new energy. We already have the Coalcon project, the nation's largest coal conversion project."

Cornell McIntosh, 69, dies

Cornell D. McIntosh, 69, of 2443 Bryan Ave., died at 1:40 a.m. Tuesday at St. Elizabeth Hospital, where he had been admitted a half hour earlier.

"The gasification group's proposal could bring hundreds of permanent jobs to Southern Illinois as it develops new energy technology."

"Coal gasification projects stimulate Illinois' economic growth and at the same time provide more energy for the nation."

There will be an inquiry to determine the cause of death. Born in Carter County, Tenn., he resided here 65 years.

Mr. McIntosh was self-employed as a carpenter and painter for 20 years.

Survivors include his widow, Mrs. Nancy McIntosh; five sons, Arnold McIntosh of Van Nuys, Calif., Robert and Frank McIntosh, both of Peoria, Curtis McIntosh of Tulsa, Okla., and Larry McIntosh of Las Vegas, Nev.

Four daughters, Mrs. Kenneth (Irene) Dorch of Granite City, Mrs. Donald (Betty) Burian, Mrs. Marvin (Delores) Williams, both of St. Louis, and Mrs. William (Rosalee) Brown of Winfield, Mo., three sisters, Mrs. Dannie Wilson and Mrs. Ranie Graham, both of Granite City, and Mrs. Jeanette Hill of Willow Springs, Mo., 27 grandchildren and 10 great-grandchildren.

Funeral arrangements are given in the obituary column.

EPA workshop is scheduled

The Illinois Environmental Protection Agency will host a workshop for environmentalists Thursday, Feb. 19, at its Springfield offices, 2200 Churchill Road. The day-long meeting will begin at 9 a.m.

Dr. Richard H. Briceford, director of the agency, will open the workshop with a discussion of the EPA's priorities for the coming year.

Also in the morning, technicians with the Division of Air Pollution Control will explain and discuss their planning programs and compliance efforts.

In the afternoon, members of the Division of Water Pollution Control will host a discussion of water quality planning programs.

Environmentalists and other citizens are invited to attend the workshop. Participants are to register in advance with the agency's Division of Public Affairs by mail or by phone (217-782-5562).

RANSACK, LOOT HOUSE
Items valued at about \$939 were stolen from the home of Gary Reed, 108 Briarhaven Drive. It was discovered at 9:15 p.m. Wednesday. Glass in a door to the rear of the family room was broken to gain entry. The bedrooms were ransacked. Stolen were a \$40 microphone, three citizens' band radios with respective values of \$150, \$240, and \$250, another \$54 microphone and a new rifle valued at \$245.

Ron Hall to be honored Friday

Former Granite Cityan Ron Hall, son of Mr. and Mrs. Elbert Cochran, 3005 Myrtle Ave., will be honored tomorrow for outstanding community service during a Tatter Revue at Missouri's William Jewell College.

The Tatter award was established last year to honor an individual who has given freely of his time, energy and talents for the betterment of the community.

Hall, a 1955 graduate of Granite City High School, graduated from Missouri Valley College, where he participated in football and track, and then joined the professional football ranks, playing halfback from 1956-1966 for the Pittsburgh Steelers and then the Boston Patriots.

He became assistant coach at Liberty High in 1969 and head coach the following year. His teams were conference champions in 1971 and 1973.

This season, as a Class A school, Coach Hall's football team, with an 8-2 record, advanced to the state playoffs in Columbia against Hickman High.

Through his efforts and his team's accomplishments, community spirit soared during the fall months at Liberty. Mo., the award announcement relates.

HEMLOCK BURGLARY
A television and a rifle, valued at a total of about \$735, were stolen from the home of Michael Schlicher, 2440 Hemlock Ave., it was reported during the weekend. Entry was gained by forcing open a rear door.

HERE FROM ARIZONA
Mr. and Mrs. Edward Byrne, former Granite Cityans, who reside in Avondale, Ariz., have been visiting here and were among those honoring Mr. and Mrs. John Farnace of Granite City on their 25th wedding anniversary.

Cougar net loss; idle till March

The Southern Illinois University at Edwardsville tennis team suffered its first loss of the season during the weekend as the University of Missouri downed the Cougars 6-3 in Columbia, Mo. SIUE, which had earlier defeated Illinois State University 8-1, now has a 1-1 record; Missouri is 4-0. Bill Rutsch of Granite City lost 6-3, 2-6, 7-5.

The Cougars have nearly a month off before they begin a heavy spring schedule. SIUE's next match is slated for 8:30 a.m. March 6 against Drake University and the University of Kansas in Lawrence, Kan.

March 21 trip to Ice Capades

The Granite City Park District will sponsor its annual trip to the Ice Capades at the St. Louis Arena on Sunday, March 21, for the 6 p.m. performance. Reservations must be made in person at the Wilson Park office, beginning Monday.

Tickets are priced at \$4.50 for adults, plus \$2 round trip bus fare, and \$2.75 for children through 16 years of age and \$2 bus fare.

Reserved seats allotted to the park district are in the arena circle and afford an excellent view of the performance, according to Harold Brown, park district superintendent. Only a limited number of tickets is available, he added.

The bus will leave the Wilson Park rink at 4:30 p.m. March 21 and return immediately after the performance. Additional information may be obtained by calling 877-3069.

Bunko-Ettes meet with Mrs. Delaioye

Mrs. Leona Delaioye, 2693 Washington Ave., entertained the Bunko-Ettes Club last week at their home.

Red and white were the colors used by the hostess in the table appointments, which reflected the Valentine's Day theme.

Prizes at games were won by Mrs. Evelyn McCollegan, Mrs. Angie Buehler, Mrs. Florida Batson, Mrs. Dorothy Barnett and Mrs. Delaioye.

Also present were Mesdames May Ebling, Helen Lipchik, Julia Portell, Helen Santagato, Rose Rubie, Ruth Parney and Juanita Eblins. Mrs. Rubie will be the next hostess.

BREAK INTO HOUSE
A neighbor noticed the front door was open at the home of Myra Blades, 77 Riviera Drive, at 11:25 a.m. Tuesday and called police. Officers found a third window was broken to gain entry. The house had been ransacked. It was not immediately known what had been stolen.

SHOTGUN STOLEN
A \$500 shotgun was stolen from the home of Louis Bojzkowski, 1028 Iowa St., Madison, after the rear door was pried open. It was reported at 5:35 p.m. Friday. The gun was taken from a gun rack in the basement, he said. Nothing else was known missing.

AWAITING DISTRICT TOURNAMENT is the GCHS North wrestling squad. Steelers include, front row, from the left, Sophomores Kris Whelan and Del Moad, Junior Kirk Davis and Sophomore Steve

Haeffner; back row, left to right, Senior Dennis Cuvor, Junior Jim Shemwell, Sophomore Steve Hartline and Junior John Sands.

District wrestling will open Friday; sectional here next week

The battle for the 1975-76 state wrestling championship begins this weekend at 20 different sites in Illinois High School Association district competition, which includes a meet tomorrow and Saturday at Edwardsville High School with GCHS North and GCHS South participating.

First-round action at

Edwardsville will begin at 6 p.m. Friday, followed by quarterfinal competition. On Saturday, semifinal bouts will begin at noon.

Third place, second place and championship bouts will start Saturday at 6 p.m.

The top two finishers in each weight class will advance from the district to sectional warfare in the Granite City Memorial Gymnasium at South High on Feb. 20-21.

A champion and runnerup in each weight class will advance

from the sectional to the state tournament at the University of Illinois Assembly Hall, Champaign, the weekend of Feb. 27-28.

Warrior mat mentor William "Bill" Schmitt, whose South High team has captured district honors every year since 1958, believes this year's meet could end GCHS South's district domination.

"We have the best team record of any school entered," he says, "but at a tournament individual wrestlers take over

for a team. This year, it looks as if the district individual power is widely scattered, with balance between all the entries."

GCHS North Steeler Coach Walt Whitaker believes his team has an edge in some of the lower weights.

"but it promises to be a real battle in middle and heavier weight classes," he adds.

Three champions from the 1974-75 season district meet are returning to the mats this

weekend — Fred Wopat (167 pounds) of Edwardsville, Jerry Patterson (185) of GCHS South and Heavyweight Dave McCoy of Edwardsville.

In addition, the meet will see five runnersup returning — Keith Whelan (98) of North, Matt McCullough (105) of North, Don Shup (132) of Collinsville, Hector Sanabria (138) of Collinsville and Kevin Wilson (167) of South.

North High's Keith Whelan, competing this season at 105 pounds, and McCullough, at 119

pounds, are the only Granite City matmen returning as state tournament qualifiers. Whelan placed sixth at state and McCullough was eliminated in a second-round bout last year.

In dual meet competition this season, GCHS South has posted a 20-2 record and GCHS North a 17-4 mark.

Of the participating schools in the district tourney, the Warriors have met and defeated Edwardsville, Alton, Collinsville, GCHS North and Roxana in dual meets.

North High's Stealers have met and defeated Edwardsville, Alton, Collinsville, Roxana and Wood River.

Coach Schmitt predicts the Edwardsville district will produce close battles at 167 and 185 pounds and heavyweight between GCHS North and South, Bethalto, Wood River, Alton and Edwardsville.

Because of extra points awarded to a matman who pins his foe, the school gaining the most wins on pins in the meet could well emerge as district champion this year.

Wrestlers expected to compete for GCHS South (with

season record and wins on pins included) are Brian Basore (98 pounds) 9-4 and five pins, Wally DeShon (105) 6-8 and two pins or Barry Forbese 14-7 and three pins, Sam Perkins (112) 16-2 and three pins, Al Schuler (119) 8-6 and three pins or Randy Basore 5-5-1 and no pins, Jay Fedora (126) 10-1-1 and one pin, Glenn Moore (132) 16-3 and seven pins, Darrell Hasty (138) 20-2 and two pins, Ed Peltier (145) 16-9-1 and four pins, Steve Avedisian (155) 19-4 and four pins, Jerry Patterson (167) 11-5-3 and six pins, Kevin Wilson (185) 20-6 and nine pins, and Heavyweight Mark Naglich, 15-4 and 11 pins.

Steele matmen expected to compete are Kris Whelan (98) 28-1 and 12 pins, Keith Whelan (105) 29-0 and 11 pins, David Futch (112) 17-9-1 and eight pins, Matt McCullough (119) 9-2-1 and three pins or Jim Bledsoe 16-12 and three pins, Charles Taylor (126) 21-9-1 and eight pins or Bledsoe, John Sands (132) 9-15-2 and two pins, Ray Stuart (138) 9-12 and one pin, Jim Stanton (145) 9-6-1 and one pin, Leonard Butler (155) 1-9 and Mitch Steen 2-3 or Ralph Barker

1-2, Mark Widel (167) 21-7-1 and eight pins, Jim Shemwell (185) 17-10 and four pins and Heavyweight Dennis Cuvor, 17-12 and 12 pins.

Both GCHS North and South may have to shift matmen in some weight classes due to either illness or injury. Stealers Taylor and Stuart are ill with the flu, and Warrior Moore is still nursing an ankle injury received in a dual meet last month.

Officials of the tournament will be Richard Huff of Granite City and Morris Tschannen of Wood River. Leonard Fuchs III of Madison will referee at the Belleville West district.

The competition at Edwardsville involves Class AA (751 enrollment and over) schools. For smaller schools, Class A districts will include Carlinville, where Haig Nighobossian of Granite City will be a referee, and Vandalia, where James Harsh of Granite City will officiate.

IT'S MY BIRTHDAY! Mrs. Emma Medley, a pink lady volunteer at St. Elizabeth Hospital, smiles for those attending a party given for her 82nd birthday. The staff of the Central Supply Department, an area in which Mrs. Medley has volunteered 1,025 hours since March 1975, presented her with a gift and flowers and provided refreshments to mark the occasion. Mrs. Medley has volunteered at St. Elizabeth since the day after she retired from Brewer Motors, where she was employed for 30 years. She donates her services from three to five days each week in Central Supply.

Hearing on suit motions

Motions to dismiss a Dec. 12 suit by Dick H. Mudge Jr. of Edwardsville against Sunset Hills Country Club are to be heard at 3 p.m. March 5 by Associate Judge Robert Francis.

Mudge, a former state attorney, alleges that Emil Jason of the SUE administration has been rejected for club membership. He seeks admission of the applicant or removal of all officers and directors on the basis that state public policy or the club constitution may have been violated.

Two dismissal motions ask that the Madison County liquor commissioner be dropped as a defendant because other remedies besides injunction are available. Attorney Robert Maucker seeks dismissal of the suit against club officials on the basis that Mudge as a member is not within legal bounds and is acting on behalf of another person.

Final voter registration centers set

The last in a series of special voter registration centers will be conducted in the Quad-City area tomorrow and Saturday. The registration periods will be conducted by the office of County Clerk Evelyn Bowles in preparation for the March 16 primary elections. Monday, Feb. 16, is the last day on which voters may register for the primary.

Weekend registration in this area will be conducted as follows:
Granite City-Schnuck's Crossroads Plaza store, 10 a.m. to 6 p.m. Friday, Feb. 13.
Mitchell-Dickerson's Cleaners, 504 E. Chain of Rocks Road, 9 a.m. to 5 p.m. Saturday, Feb. 14.
Venice-Solo Bank Grocery, 1104 Logan St., Venice, 10 a.m. to 5 p.m. Saturday, Feb. 14.

Dog's death 'accidental'

The death of a dog owned by a Granite City family after it was shot with a tranquilizer dart was "entirely accidental" during an attempt to pick up the dog on a complaint that it had attempted to bite an elderly woman, humane officers told the Press-Record yesterday.

Thomas Wofford, Granite City humane officer, and Rufus Valencia, assistant humane officer, said efforts to apprehend the dog were "in keeping with our jobs as set out by the city ordinance." At no time, they said, "do we want to kill any dog, but we have a job

to do and we try to do it according to the law." Their statements were in response to charges before the Feb. 2 City Council meeting by Mr. and Mrs. Kenneth Wickham, 2026 Cleveland Blvd., that their dog, Jason, was killed by a tranquilizer dart a short time after a humane officer appeared at their home to warn Mrs. Wickham to keep the dog confined, and that they had not been notified of the dog's death. Wofford and Valencia denied that the dog that was killed was the "wrong dog" as was charged by both Mrs. Wickham

and by Alderman William Dallas. They also denied that extra-strength tranquilizer dose had been used in attempting to pick up the dog. "We are only trying to do our job as it is set out by city ordinance and we never want to kill a dog," Valencia said. "When we used the tranquilizer gun on this dog we used a standard 40-pound dose," he said, adding that the dog was of medium size weighing about 40 or 45 pounds. Valencia said that the humane office had received several complaints about the

Wickham's dog, Jason, tearing open plastic refuse bags and, on occasion, bothering pedestrians.

"I went to the Wickham home and" talked with Mrs. Wickham," Valencia related, adding that "I told her the dog would have to be kept in and that when the dog returned home she should not let it out again. The city ordinance requires that all dogs running loose, even if they have their rabies shots, must be muzzled. After I left there, an elderly woman waved me down at 20th Street and Delmar Avenue and said she had been attacked by a brown dog. I told her we would look for it. We saw the dog shortly after talking to the woman. It ran as the truck

approached, and we got the gun and shot it. "I picked up the dog and put it in the truck and went back to the woman who had complained about the dog chasing her and she identified it."

"One of the things people always say is that 'this was a neighborhood dog,' but how are we to tell a neighborhood dog from any other dog?" Valencia said. "If the City Council is not going to stand behind us for enforcing the ordinance, then they should do away with the law," Valencia added. The humane officer said that several attempts were made to reach Mrs. Wickham by phone after the dog died, but that the line was busy. "We always

make an effort to contact dog owners when dogs are picked up, if the dog has tags identifying the owner," he noted.

'Apogee' at South dance

The Granite City High School South student council will sponsor a "Valentine's Day" dance Saturday in the school cafeteria from 7:30 p.m. until 10:30 p.m. Music will be furnished by "Apogee." Admission is \$1.50 at the door. Students from North are welcome.

Wm. Johnson quits race for state's attorney; to seek new judgeship

William E. Johnson, former associate judge who maintains law offices in Granite City, has announced his withdrawal as a candidate for the Democratic nomination as state's attorney to permit him to seek an associate judgeship appointment.

Johnson, of Glen Carbon, said he has filed an application for appointment to a newly-created associate judgeship in the Third Judicial District which includes Madison and Bond Counties.

He is one of three candidates for the Democratic state's attorney nomination, opposing incumbent Nicholas Byron and Steve Maragides of Madison, a former assistant state's attorney.

Because Johnson's decision comes after the legal withdrawal period for primary candidates, his name will appear with Byron and Maragides on the March 16 Democratic primary ballot, according to County Clerk Evelyn Bowles.

Should Johnson receive the greater number of votes and refuse to accept the post, a Democratic candidate for the office in the November general election would be chosen by the Democratic County Central Committee.

In a statement, Johnson said: "I have this day made application as a candidate for appointment to the office of associate judge recently created by the Illinois Supreme Court and Illinois legislature."

"It is unfortunate that the opening has been authorized by the legislature and Illinois Court Administrator's office at this time, since the advent of the primary election is about a month away and I was running as a candidate for state's attorney."

"Such a situation has created several problems in my application for the judgeship. First, to be fair to the circuit judges who will make the selection from those applying; second, to be fair to the people of Madison County; and third, to eliminate any question of 'politics,' I herewith withdraw from contention as a candidate for the office of state's attorney."

"My choice to be considered as an applicant for the associate judgeship has been my own and my family's. After we discussed the possibility of my application being accepted or denied, as every other applicant, I have decided to submit my application and record to the circuit judges."

"I have served over 10 years as magistrate and associate

GRANITE CITY PRESS-RECORD
Thurs., Feb. 12, 1976 Page 13

judge in all fields and areas. I have tried my best to serve the people of Madison County as judge; I hope that I have accomplished something in that regard."

"I do not wish my intentions to be misconstrued as any pressure upon the circuit bench to accept or deny my application, but to give my application fair consideration with all other applicants, and to make their decision without criticism from myself or others."

"I hereby withdraw from consideration as candidate for state's attorney and commit myself to the judgment of the circuit judges."

NOT EXACTLY NON-POLITICAL was this week's local speaking appearance by Secretary of State Michael J. Howlett (second from right), shown shaking hands with State Representative Sam Wolf (right) beneath a Wolf campaign sign. State Senator Sam Vadalabene of this district is at left, and State Rep. Joe Lucco is second from left. The three legislators are seeking to retain their elective offices this year and Howlett, principal speaker at the dinner at SIUE, is running for governor in the March 16 primary election. Relatives of GC woman in Guatemala as quake hits

Mr. and Mrs. John Irvin of Chillicothe, Mo., a brother-in-law and sister of Mrs. Eugene (Jane) Walton, 57 Jansday Lane, were on tour in Guatemala City when the disastrous earthquake hit that city last week, according to the family.

Mrs. Walton said her sister and husband escaped injury as did the other 70 members of a Friends of the Arts group of Kansas City who were on a vacation tour to Central America.

The Irvins expressed their

admiration for the people in Guatemala City as they began the massive clean-up of the city and the care they gave the injured as a result of the pre-dawn destruction, Mrs. Walton added.

The vacationists were housed in the 10-story Camino Real Hotel. Mr. Irvin, a building contractor, credited the construction of the hotel for the safety of the Americans and others residing there.

Girl wrecks car

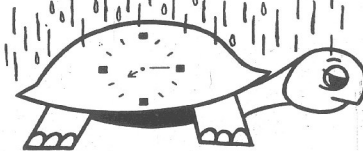

A 14-year-old girl who allegedly took a car without the owner's permission, smashed the car into a utility pole in the 4300 block of Lake Drive, Pontoon Beach, early this week.

The car sustained about \$1,800 damage in the crash, even though the girl told Madison County sheriff's deputies she was driving at about 10 miles-per-hour when she reached down to adjust the radio and the car struck the pole.

She suffered a bruise to her right leg. Police charged her with driving without a driver's license.

Missouri agencies continue to ignore the environmental, cost and technical barriers that make it impossible to expand Lambert Field to meet the St. Louis area's future airport requirements, U.S. Secretary of Transportation William T. Coleman Jr. was told this week.

Accordingly, transfer of air carrier operations to a new airport at the Columbia-Waterloo site by around 1988 or before "is the less expensive, more rational and far more environmentally sound alternative to meet the region's future aviation needs," the St.

Louis Metropolitan Area Airport Authority said in a memorandum filed with the secretary Monday. The memorandum responded to material submitted in Washington on Jan. 31 by Missouri opponents of the Authority's application for

approval of the Columbia-Waterloo site. In its memorandum, the Authority said: "The plain fact is that expansion and long-term use of Lambert as proposed by RMP (in the Parsons Master Plan) is environmentally unsound, and

is prohibited by the (Federal) Airport and Airway Development Act. Even if it were legal, such expansion would create noise costs estimated at more than \$1 billion between the years 1988 and 2000. This estimate is based on court cases at other airports.

2. "Missouri's conclusion that the RMP (Master) Plan is fully financeable is also highly suspect. Because of Lambert's site limitations, it cannot handle enough airline traffic to carry out the bonds required to pay for the Parsons Master Plan."

3. "There is no sound basis for the Department of Transportation to agree with assumptions of the Parsons Plan that new technology will come on stream in time to save Lambert. For the department to go along with the Parsons proposals would require a reversal of present DOT

policy." The Authority took particular issue with a claim that the aviation future of eight other cities as well as St. Louis hinged on the successful introduction of new technology, some of which is not even on drawing boards yet.

"All eight of the other cities have airports far superior to Lambert. Four of them have multiple airport capacity — Chicago, New York, Los Angeles and San Francisco. "Two others, Miami and Atlanta, have taken steps to secure sites for new airports. The other two cities are Denver, which has sufficient expansion potential at its present airport, and Philadelphia, which is exploring various options that do not entail creation of new technology.

"Thus, besides having airports far superior to Lambert, none of the other eight cities is hanging its hopes on the emergence of technological developments which may or may not occur," it was asserted Monday.

The Authority's memorandum took issue with the opponents' estimate of travel time to Columbia-Waterloo. "Actual time differential from the center of trip originations by area residents between going to Lambert and to Columbia-Waterloo is about 15 minutes, and this differential would be more than offset by airline delays at Lambert as it becomes increasingly overcrowded," a spokesman said. The Authority branded as unfair a claim by Missouri opponents that Columbia-Waterloo would be a "billion-dollar" project. Actually, the Authority told the secretary, the "costs including highway improvements required to serve the airport will be \$324.1 million. In contrast, the costs to carry out the Parsons airport and related highway proposals at Lambert would run \$348.7 million."

The Authority emphasized that its basis for cost estimates for Columbia-Waterloo is taken from the concept of recently completed terminals at the Cincinnati airport. That facility has been praised by Arthur K. Knudson, TWA vice president in charge of airport facilities.

Knudson said it "comes closest to meeting the criteria of economy and flexibility... (yet) the space inside are just as grand or grander than those in more monolithic structures costing twice as much or more."

In conclusion, the Authority said approval of its application is needed now to "save the Columbia-Waterloo site and to assure orderly over-all planning for the future of the entire St. Louis region. There is no suitable alternative site, and the need for a new airport eventually is beyond any reasonable doubt."

2 drivers hurt

Nelson E. Hediger, 24, of 2332 Zippel Ave., and Charles Lane, 51, of 202 Briarwood Drive, were injured when their autos collided at West Pontoon Road and Briarcliff Drive Monday. Lane was taken by ambulance to St. Elizabeth Hospital and was admitted with a two-inch cut on his head and injuries to a shoulder, his back and his right knee. X-rays were taken and the cut was sutured. Hediger was treated at the hospital for abrasions to the left side of his forehead and his right knee and a cut to his tongue. He was treated and was released after x-rays were taken.

Checkerboard Squares perform at nursing home

The Checkerboard Squares, after having been absent from the scene for 1 1/2 years, have resumed their role of community service by providing entertainment for nursing homes and civic groups.

Their first endeavor this year was a show at the Colonial Haven Nursing Home, 3900 Stearns Ave., during the weekend. They performed square dancing and round dancing and presented several skills for the entertainment of the residents.

Record year for credit transactions

Consumer use of the Master Charge credit card in the Midwest, including metropolitan St. Louis, continued to grow to record levels during 1975. The dollar volume of Master Charge transactions increased 28 per cent to \$585 million, \$127 million more than the \$458 million volume of 1974.

It was the first year that volume exceeded a half-billion dollars. A strong Christmas season spurred the record year, according to Credit Systems, Inc., the operating center for Master Charge in Missouri, Kansas, Iowa, Southern Illinois and Western Kentucky. Holiday season volume reached \$80 million over the same 1974 period.

The number of Master Charge transactions—retail purchases and bank cash advances—during 1975 increased 22 per cent, indicating that the year's record volume represented substantial growth in addition to an inflationary economy.

The system is operating now at an annual volume level in excess of three-fourth-billion dollars.

Other growth records included the introduction of 35 new participating banks into the system, bringing the five-state total to 706.

Over 140,000 new cardholders were added during the year, along with 10,000 new merchants. The number of cardholders now totals 1.2 million and merchant outlets in the CSI system exceed 45,000.

FIRST PLACE WINNERS. Students of St. Elizabeth Catholic School who won six first-place ribbons in a speech meet held at St. Mary's School in Edwardsville. Front row from left, Wendy McIlvoy, Michelle Meehan and Chris Clay. Back row, Greg Powderly, Bobby Hilker and Tim Powderly.

Rob Boyd, director of the Checkerboard Squares, was assisted on the microphone by Ken Buford, staff caller, and by Steve Dohnal, 14 years old, a new addition to the calling staff.

It was Dohnal's first occasion to call dances before an audience. Also providing assistance behind the scenes in grouping the children and taking care of

costumes were Ruby Barker, Jan Bergfield and Betty Beck. Checkerboard members taking part in the show were Kim Smith, Donald Marcum, Denise Pingle, Bobby Fanning, Sherri Marcum, Ray Barker, Karen Rogers, Steve Dohnal, Lori Derossett, Vincent Dohnal, Debbie Miller, Gean Darker, Gina Dyer, Johnny Withers,

Candy Wall, Alan Lewis, Tammy Wall, Ken Buford, Lisa Dohnal, Robin Fanning, Sheila Wilkins, Gail Robertson, Susie Mainridge, Michelle Baran and Christine Zimmerman. The Checkerboards' next scheduled appearance will be March 10 at Coolidge Junior High School before the American Association of Retired People.

Speech students win six firsts

St. Elizabeth School students who participated with 15 other parochial schools in a speech meet at St. Mary's School in Edwardsville, captured first-place ribbons.

Winners included Michelle Meehan and Bobby Hilker in serious category; Chris Clay and Wendy McIlvoy in humorous, and Greg and Tim Powderly in duet category.

Ninety students in the sixth, seventh and eighth grades represented schools including St. Bernard, Wood River; St. Mary-St. Mark, Madison and Venice; St. Paul, Highland; St. Margaret Mary and Sacred Heart, Granite City; St. Boniface, Edwardsville; St.

Kevin, East Alton; St. Peter & Paul, St. Mary, Consolidated Catholic and St. Matthew, all of Alton; St. Francis Xavier, Jerseyville and St. Ambrose, Godfrey, and St. Elizabeth. Each school entered six participants in the competition.

Bill Bermes, Mudcats at Mardi Gras Ball

Learn resuscitation techniques

JEAN KITTRELL, featured vocalist and honky-tonk piano player with the Mississippi Mudcats, who will perform at the American Cancer Society's Mardi Gras Ball Saturday night, Feb. 28, at the Lewis and Clark Ballroom, East Alton. Music for dancing will be played by the Bill Bermes Orchestra. Tickets and information may be obtained by calling 797-0500 or 1-465-7821.

For those who enjoy the "big band sound" and the honky-tonk music, the American Cancer Society has booked Bill Bermes and his Orchestra and the Mississippi Mudcats, featuring Jean Kittrell, for the sixth annual Mardi Gras Ball.

The gala event will take place Saturday evening, Feb. 28 at the Lewis and Clark Restaurant Ballroom in East Alton. Continuous music for dancing and entertainment will be provided from 9 p.m. until 1 a.m.

Donations to the ball are \$50 per couple. Special favors will be given to each lady and a buffet supper will be served, starting at 11 p.m.

Prior to the ball, there will be a special "patrons" cocktail party at the New Ramada Inn in Alton from 7 to 8:30 p.m.

Those attending will meet a celebrity guest from Hollywood, as yet not identified, and other distinguished guests. Patrons are contributors who make a \$75 donation which also entitles them to attend the ball.

Ball organizers report that

Bob Bermes has one of the best and most popular bands in the area and is appearing at his sixth consecutive Mardi Gras. The Mississippi Mudcats, among the best Dixieland bands in the Midwest, will also play. Don Havens, leader of the group, has played jazz for close to 25 years and has recorded with other jazz bands. He is a professor of American literature at Southern Illinois University at Edwardsville.

Jean Kittrell, honky-tonk piano player and vocalist for the group, has been playing "low-

down" piano and singing the blues for about 17 years.

Other members of the Mudcats are Ray Tiesel, bass; Warren Brown, clarinet; Leon King, trombone; and Jim Hansen on drums.

Further information concerning this year's Mardi Gras Ball may be obtained at the Madison County Cancer Society office at 528 Henry St., Alton, or by calling 1-465-7821.

Patrons' information and dance tickets also may be secured from Mr. and Mrs. Earl French of Granite City, at 797-0500.

Edward Martin, an instructor at St. Elizabeth Hospital in cardiopulmonary and resuscitation in basic life support, was the guest speaker at a meeting Monday night of the Newcomers Club.

He gave a three-hour instruction program using Resusc-Aid, a life-size doll, to illustrate his demonstrations. To conclude the presentation, Martin gave each member a card stating she had completed the basic training.

Mrs. Donna Warren, 3255 Edgewood Ave., entertained the group. Mrs. Judy Baker served

as program chairman. Guests attending included Josephine Uram, Faye Bowman, Steffie Sedej, Donna Cadill, Mary Jo Yutz, Mary McPherson and Doris Petersen. Members present were Sylvia Maasman, Dody Stevens, Arla Ault, Mary Ann Rawlings, Louise Ware, Wanda Barling, and Barbara Maycock.

The next meeting will be with Mrs. Maycock. Marilyn McKeehan will give a program on the care of house plants.

Animal care Pi Eta topic

Mrs. Donna Moore and Mrs. Carol Willoughby, members of the Association for Protection of Animals, were guest speakers at a meeting Monday night of Pi Eta Chapter, Beta Sigma Phi Sorority.

The guests spoke on the care of animals, placing them in homes and fund raising projects of the non-profit organization to help provide food and kennels for the animals.

Chapter members met in the home of Mrs. Jan Noland, 1732 Bremen Ave.

President Mrs. Charlotte Charbonnier led a discussion on a legacy program for members with daughters who may wish to join the sorority.

She also announced a stuffed animal project has been completed and the gift items will be delivered to the pediatric department at St. Elizabeth Hospital in time for Valentine's Day.

Thomas Jefferson, Hilltoppers topic

The Rev. Carl Eschenbrenner, dressed as Thomas Jefferson, gave a talk on Jefferson's life and his work on the U. S. Constitution at a meeting Monday of the Hilltoppers Club at St. John United Church of Christ.

Thirty-one members attended and sang a hymn to open the session. Prayer was offered by Rev. Eschenbrenner.

President Mrs. Betty Cooper presided at the business meeting. She announced cards were sent to five members in hospitals or nursing homes.

The Lord's Prayer was recited in closing and cake and coffee were served. During the afternoon, games were played and prizes were awarded to each person.

HERE'S HOW COMPAR-A-PRICE HELPS YOU SAVE:

1. The unit price reduces the price per unit to a common measurement for comparison from brand to brand and on different sizes within the same brand.
2. This is the price you pay for the item.
3. This is the brand name of the item.
4. This is the size of the package. Make sure you check both the name and the size when checking the unit price.

Kroger's Compar-A-Price helps you compare the cost per unit of measure from brand to brand and size to size.

TOTAL SATISFACTION GUARANTEE

Everything you buy at Kroger is guaranteed. If you are not completely satisfied, we will replace your item with the same item or a comparable brand or size. No questions asked. No charge.

We also guarantee that we will do everything in our power to have ample supplies of all advertised specials on our shelves when you shop for them. If, due to conditions beyond our control, we are not able to advertise a special, we will substitute the same item in a comparable brand within our line, or if you prefer, give you a "RAIN CHECK" which entitles you to the same advertised special at the same special price any time within 30 days.

Webster PTA marks 25th year

A Bicentennial theme was used to decorate the gym and cafeteria at Webster School Monday night for the Founders Day observance and 25th anniversary of the Parent-Teacher-Association.

Mrs. Barbara Schwertmann, president, led the pledge of allegiance and Webster Principal James Jeffries recited the PTA prayer.

Mrs. Frances Merkelsbach, a past president of the PTA, was in charge of the Founders Day program. She introduced William Harris, who served as the first president of the unit

when it was organized in 1951. Other past presidents attending were Mrs. Helen Santiago, Mrs. Jo Rose, Mrs. Pat Pool, Mrs. Mae Lee, Eugene Gunderson and Clyde Lee.

After the introductions, the president presented each guest with a Bicentennial charm and gave an oil painting to Mrs. Merkelsbach for serving as chairman of the event.

Jeffries spoke on the school's history and noted a history book compiled through the years along with the charter, were displayed for the evening.

During the business session, reports were given by Mrs. Ruth Delosic and Mrs. Barbara Blanton. Mrs. Delosic also awarded the attendance banner to Mrs. Merkelsbach's room.

Announcement was made of a candy sale which will continue for two weeks. Individual room awards will be "Uncle Sam" bank. The top student salesman will receive a \$25 savings bond.

Mrs. Schwertmann appointed Mrs. Doris Stotz chairman of the sixth grade party. She will meet with the students to plan the event after school on Feb. 28.

Officers for 1976-77 were nominated at the session. Those nominated, included: President, Mrs. Schwertmann and Mrs. Yvonne Gray; vice-president, Max Mills and Mrs. Sharon Munoz; secretary, Mrs. Gail Cooper and Mrs. Adrian Oliver; and treasurer, Mrs. Delosic and Mrs. Connie Frieden. An amendment to the bylaws also will be voted at the March meeting.

Jeffries described "Wildcat Day" held last week at the school when students and faculty members wore the new tee shirts inscribed with the school emblem.

Alicia Narvaez is bride-to-be

Mr. and Mrs. Atenedora F. Narvaez, 1519 Market St., Madison, are announcing the engagement and plans for a September wedding of their daughter, Miss Alicia "Lisa" Narvaez and Charles "Brother" W. Voloski.

The groom-elect is a son of Mr. and Mrs. Charles C. Voloski, 1610 Seventh St., Madison. He is now employed with the Madison Street Department and is a member of the Madison Fire Department.

Both young people attended Madison schools.

BETROTHED. Miss Alicia "Lisa" Narvaez and Charles "Brother" W. Voloski, whose engagement is being announced by her parents, Mr. and Mrs. Atenedora Narvaez, 1519 Market St., Madison. The couple will be married in September.

St. John United features Lincoln

St. John United Church of Christ, 2901 Nameoki Road, will continue its Bicentennial commemoration service series on Sunday, with a service devoted to Abraham Lincoln and his impact on the United States of America in its second 100 years of existence.

The church choir will sing "The Battle Hymn of the Republic," the anthem so closely connected in American life with Lincoln and Union. Scriptures will be chosen from those preferred by Lincoln or having special meaning for Lincoln's life, especially his time as president. C. H. Sternberg will speak on the subject, "Greatness Through Goodness, the Lincoln Legacy."

As a special feature, a part of the sanctuary will have reproduced room filled with Lincoln memorabilia and authentic furniture and fittings of his time in Springfield. From a desk in the room Elmer Stille, portraying Lincoln, will rise and give the Gettysburg Address.

The congregation and guests are invited to bring cameras to record the room, its furnishings and Stille for their Bicentennial scrapbook. Services are held at 9 a.m. and 10:30 a.m., according to the Rev. Dr. Paul Surbey, pastor.

First Baptist scene of Strain-Lewis wedding

Miss Teresa June Lewis and Marine Sergeant Garry James Strain were united in marriage in an afternoon ceremony on Jan. 31 at the First Baptist Church, 21st Street and Delmar Avenue.

The Rev. Marvin Peters performed the double ring

service at 4 o'clock. Preceding the ceremony the Joy Singers sang "Close To You." Parents of the bride, Mr. and Mrs. Elbert G. Lewis Jr., reside at 1631 Minerwa Ave. The groom is a son of Mr. and Mrs. Elvin Strain, Arkoma, Okla.

For her wedding, the bride

chose a full-length gown of white chiffon over taffeta. The full skirt swept into a chapel train, edged with a ruffled flounce.

Chantilly lace accented the bodice and princess-style sleeves and bordered her fingertip veil.

She carried a cascade bouquet of white carnations, pink roses and baby's breath.

Maid of honor Miss Jeanene Lewis, a sister of the bride, and

bridesmaids Mrs. Kathie Schaus, also a sister, Mrs. Linda Schaus and Miss Sandy Baker wore identical dresses of maroon velvet enhanced with white lace.

Each wore a white hat and carried a white muf with a corsage of red roses, white carnations and baby's breath attached.

Stacey Peters, the flower girl, was dressed in a long white velvet frock trimmed in white

lace and pink ribbon. She carried a basket of rose petals. Christopher Seay served as the ringbearer.

Attending the groom as best man was Dave Schaus, the bride's brother-in-law. Del Lewis, a brother of the bride, Bob Schaus, Don Shanks, David Seay, a cousin of the bride, and Keith Asher completed the corps of groomsmen and ushers.

A reception was held in the

church fellowship hall immediately following the ceremony.

A 1972 graduate of Granite City High School, the bride is now employed as a secretary at Boatmen's National Bank, St. Louis.

The groom was graduated in 1972 from Spiro High School, Spiro, Okla. He is now stationed with the U. S. Marine Corps at Santa Ana, Calif.

NEWLYWEDS. Marine Sergeant and Mrs. Garry Strain, whose wedding was solemnized at the First Baptist Church, 21st Street and Delmar Avenue. The bride is formerly Teresa June Lewis, a daughter of Mr. and Mrs. Elbert G. Lewis Jr., 1631 Minerwa Ave.

Nameoki Presbyterian services

"Learning To Pray" is the sermon topic to be presented at the 10-45 a.m. service Sunday at the Nameoki Presbyterian Church. It was announced today by the Rev. Don Pierson, pastor.

The minister said a surprise Valentine gift will be given to each member of the congregation.

Heritage Sunday will be observed Feb. 22, with a message on "The Presbyterian Contribution to America." All members are invited to wear colonial-style attire, the pastor added.

The Rev. Pierson reported parents will vote their preference for a meeting date and time for a confirmation class for seventh and eighth grade students. He said a class for new members will be offered during the Lenten season, which begins March 3.

The church also will collect and forward any contributions donated for the victims of the Guatemala earthquake, the Rev. Pierson said.

Lake PTA plans Founders Day

Lake School PTA will observe Founders Day at 7:30 p.m. Tuesday, with a special program featuring second grade pupils of Mrs. Linda Irwin. Boy Scouts sponsored by the unit will conduct the flag ceremony.

Plans for the general PTA meeting were made at an executive board session, conducted by Pat Withers, president.

Board members also approved a Bicentennial theme for the Spring Carnival, which will be highlighted with "old-time" games and crafts. Mrs. Dorothy Phelps, Mrs. June Ybarra and Mrs. Virginia Duccini, were appointed to serve as co-chairmen of project.

Other items discussed were the purchase of a kiln, a junkyard playground, amendment to the by-laws, an awards banquet and cancellation of a float for the Bicentennial parade in July.

Those present were David Johnson, Dale and Dorothy Phelps, Terry and Virginia Duccini.

Job's Daughters visit Chillicothe

Members of Granite City Bethel 43, International Order of Job's Daughters, traveled this week to Bethel 135 at Chillicothe, Ill., to coincide with an official visit there of Mrs. Marcella Cardell, grand guardian, and Thomas G. Sapp, associate grand guardian.

The trip was made on the "Big Mac" bus, sponsored by Dave Embrey, operator of the local McDonald's Restaurant.

Those attending from Bethel 43 were Lisa Smith, honored queen; and Lea Ann Baker, Becky and Karen Burke, Sherry Clemenson, Jill Donley, Gena Fox, Kay Gantt, Susan Harley, Liz Larisau, Kathleen Lane, Robin McBee, Lori McDaniels, Carolyn Oeznich, Kendra Rapp, Kim Rapp, Teri Robertson, Schellie Root, Eddie Schilling, Vicky Segey and Lisa Thompson.

Accompanying the group were Mrs. Rebecca Slate, Bethel 43 guardian, Mrs. Pat Gant, Mrs. Charlotte Rapp and Mrs. Charlotte Reel.

Pack 8 attends church service

Cub Scouts of Pack 8 attended morning worship services this week at the First United Presbyterian Church in Granite City, marking National Boy Scout Sunday.

As part of the observance, Cubmaster Tim Siede presented a certificate of appreciation to the Rev. David Maxton, pastor of the church, which sponsors Cub Pack 8. The boys attended in uniform.

Cub Pack 8 will display exhibits in the window at the Granite Bassett Insurance Agency during February (Boy Scout Month) and pack officers are planning a blue and gold banquet for Feb. 24.

Chapter HT to host husbands

Chapter HT of the PEO Sisterhood completed plans to host a party for their husbands Feb. 19 at the Sunset Hills Country Club during a business meeting on Monday.

Mrs. Paul Surbey, 2901 Nameoki Road, entertained 18 members and served a dessert luncheon prior to the session.

Announcement was made of an area meeting with a representative of Cotter College on April 5 in Edwardsville, designed for area students who are interested in attending the college.

A program of "Antiques and Handicrafts" party by Mrs. Robert Chapman, who displayed several items from her personal collection of dolls, silver and glassware to illustrate her topic.

She said money, stamps and dolls still are the most popular collectables, as is depression glass.

Butterfly Club marks 25 years

The Butterfly Club held a "silver sweetheart" party to celebrate the 25th anniversary of the club last week in the home of Mr. and Mrs. Wade Rollins, 5261 Reville Lane.

Mrs. Edith Ryan was honored on her birthday and received a gift from the group.

During the evening, pinocchio games were played with prizes going to Walter Talley, Charles Hickman, Art Hoff, Harriett Hoff, Juanita Rosenberg and Thelma Schmidt.

Also present for the buffet potluck dinner and social evening were Mrs. Lorraine Mellvay, Miss Beth Hoff, Jerry Rosenberg, Mr. and Mrs. Leo Willis, Mrs. Neil Talley, Mr. and Mrs. Von Dee Cruse, Joe Schmidt, Mrs. Myrtle Hickman, Mr. and Mrs. Orville Hommert and Mr. and Mrs. Robert Clausen and son.

Mrs. Hoff will host the next meeting.

SPAGHETTI DINNER AT ST. MARK'S SUNDAY

A spaghetti and meatball dinner will be served from noon until 6 p.m. Sunday in the parish hall at St. Mark's Catholic Church, 600 Broadway, Venice.

Adults will be charged \$2.50 per plate and children's plates will cost \$1.50. The price also includes salad, dessert and coffee.

Carryout orders will be available, sponsors said.

Madison bridge purchaser defaults; call new bids

Acting on the advice of its legal department, the Madison City Council voted Tuesday night to advertise for new bids for the sale of the Madison-owned Chain of Rocks bridge after the original purchasers defaulted in an agreement to buy the span.

\$20,000 in payments made on the bridge which were described by Corporation Counsel George Filcoff as "liquidated damages."

The Chain of Rocks bridge originally was sold by the city for \$100,000 to Charles E. Wilson and Associates of Lansing, Mich., who made a \$10,000

payment in March 1975. Wilson later sold the bridge contract to Duane Smith of Great American Resources, Mason, Mich., who made another payment of \$10,000 to Madison. Smith was killed in a hunting accident last November.

Mrs. Smith's widow, Mrs. She met in Madison last week with the council's Bridge Committee to request a six-month extension of the contract and a \$10,000 payment that was due last week, without further payment at that time.

Mrs. Smith told the committee that the feasibility study would cost her \$10,000. Although Mayor Mike Saasyk and the council appeared in sympathy with her problem, Filcoff told the council, "The original bid did not allow for any extension and if this is granted, particularly without any further payment, it could leave the city open to a suit from another party."

"I suggest that when the council does write up the specifications for new bids that a provision for one extension of time be allowed and so stated in the bid," Filcoff said.

One council member commented, "We will be glad to consider a firm bid from Hensel if he can come up with real money, but we are not interested in highly speculative deals."

Madison purchased the Chain of Rocks Bridge in 1939 on a 25 year bond retirement plan and refinanced it in 1946, after which part of the bridge profits went to the city treasury. The bridge is located in Chouteau Township.

The city was made tax-free for one year and then expanded its services, built sewers, streets, curbs and sidewalks and amassed a \$2½ million cash reserve from bridge toll collections.

Howlett net worth \$78,500

Michael J. Howlett, a candidate for governor in the March 16 Democratic primary, on Tuesday released a statement showing his worth as \$78,500.

nothing in stocks, bonds, savings account, certificate of deposit, safety deposit boxes, income from trusts or property transferred to trusts. He owns no real estate other than his summer home.

Equity in house in Long Beach, Ind., \$12,000 (value \$57,000, less \$45,000 mortgage).

This fall, Howlett sold his home in Chicago for \$25,000. He had purchased it for \$24,000 in 1969. He and his wife, Helen, and their three youngest children now reside in an apartment at 335 N. Michigan in Chicago.

U.S. savings bonds, \$5,000. Bank checking account, \$3,500.

Against assets totaling \$83,500, he listed \$5,000 in liabilities—\$10,000 in bank loans and \$5,000 borrowed from the State Employees Credit Union.

Howlett's statement showed

Information concerning the endorsed Democratic candidates may be obtained by stopping at the office or phoning 876-4124.

The office will be open daily from now until Tuesday, March 16, from 10 a.m. until 8 p.m.

Jim McPike, Democratic candidate for state representative of the 56th District, also has opened a Granite City campaign headquarters.

At the opening today several precinct committeemen and the endorsed candidates of the county organization gathered for coffee and donuts.

McPike, of Alton, said that he has opened the office in an effort to "bring his campaign closer to the people in the southern end of the district."

"I intend to be a full-time representative to all the people of the 56th District," McPike said. "If I am elected I will maintain an office in this portion of the district throughout my term of office."

The campaign headquarters was initiated by the local Citizens Committee for Jim McPike, whose co-chairmen are William and Carol Kopis, 2707 Harvey Place, and Steve and Linda Sells, 2820 Wayne Ave. It is located at 1245 Niedringhaus.

City and the late Walter Oehlecker.
For her wedding, the bride chose a full-length lace gown fashioned with a fitted bodice, long sleeves and bouffant tiered skirt, edged with a sequin trim. She wore a forward lace headpiece to secure a triple-tier veil of bridal illusion. Her bouquet was an arrangement of white carnations, centered with an orchid and encircled with greenery.
Maid of honor Miss Debra Dacus, a sister of the bride, and bridesmaid Mrs. Rick Winberry, the bride's cousin, wore identical empire gowns created of an orchid fabric with a tiny green stripe. Their dresses were complemented with long

sleeve bolero jackets and fluted brim orchid hats.

Each carried a bouquet of white carnations lined orchid and baby's breath, festooned with orchid ribbons.

Hope Ellen Crow served as flower girl. She was dressed in a long ivory colored frock made with an empire bodice embroidered with tiny roses. She held orchid carnations and baby's breath.

Kevin Knehaus, the bride's cousin, was the ringbearer.

The groom chose Allen Ray Ledbetter, an uncle of the bride, as his best man. Richard Earl and Robert Ledbetter, also uncles of the bride, and Terri Burris completed the corps of groomsmen and ushers.

A reception was held at the Long Lake Firemen's Hall after the service. Miss Vicki Medlin, a cousin of the bride, attended the guest book.

Don Sartins honored by CB club

Don and Joyce Sartin of Granite City, who are retiring and moving to Southern Illinois, were honored this week at a potluck dinner hosted by fellow members of the Smoke Blowers CB Radio Club.

The affair was held at the Slovak Hall, 14th and Iowa streets. Members of the club's auxiliary group prepared and provided various food dishes for the dinner.

Mr. and Mrs. Sartin will make their future home on Rural

Route 3, Cress Springs. They have lived in Granite City for 21 years.

Sartin is retiring from Granite City Steel, where he has been employed 16 years. Mrs. Sartin has worked for the past three years at Nestle Co.

Both have been active in the local citizen's band radio club and are known by their fellow radio operators as "Sounder" and "Sunshine."

The couple was presented a lifetime membership in the Smoke Blowers Club and a cash gift.

After dinner, the remainder of the evening was spent dancing.

Among those honoring Mr. and Mrs. Sartin and their sons were George and Sharon Strubberg, Norman and Shirley Smith, Richard and Debbie

Corbin, Michael and Cheryl Grace, Kerry and Joan Woods, Lynn and Nancy Squires, Jim and Diana Reed, Terry and Jean Gann, Randy and Mark Barton, Melvin, Oneta and Doug Barton.

Business Women to hear 'Young Careerists'

"Young Careerist Night" and International Women's Year will hold a dual spotlight at the Granite City Business and Professional Women's Club dinner meeting at 6:30 p.m. Wednesday at Charlie's Restaurant.

The event, which will feature an "international" menu, is open to all working women. Reservations may be called to Mrs. LaVelle Stephens, at 876-5684, or Mrs. Lois Wetton, at 797-0938.

A special guest at the meeting will be Jeanne Alter of Chicago, independent Democratic candidate for lieutenant governor on the ticket of incumbent Gov. Dan Walker.

Mrs. Helene Bischoff, International Women's Year chairman, and Mrs. Stephens,

Young Careerist chairman, are in charge of the dinner arrangements.

Mrs. Stephens said candidates for the BPW Young Career Woman program still may submit applications for consideration.

The program honors young working women in the community, with the local winner then eligible to compete at the district and state levels, and the top state candidate to be honored at the national BPW convention in July at Denver, Colo.

To qualify for Young Career Woman competition, the candidates are required to be between the ages of 21 and 28 years of age at the time of the national BPW convention; currently or previously em-

ployed in business or a profession with at least one year of fulltime work experience in her career area; "outstanding" in scholastic work, community service and church work; and must reside, work, or be continuing her education in the area served by the state federation she represents.

A \$50 U. S. Savings Bond will be presented to the local winner. District winners will receive an all-expense paid trip to the Illinois BPW state convention at the Palmer House, Chicago, set April 22 to April 25.

Mrs. Stephens said candidates are required to submit a "comprehensive" autobiography, two photographs and a letter of endorsement. Each candidate also must submit a 500-word theme on the topic,

"My Widening Horizons."

Three minutes will be allowed for presentation of the theme.

Further information concerning the program may be obtained from Mrs. Stephens, at 876-5684, prior to Saturday.

REGULAR BUSES MONDAY
Due to the fact that many business firms will be open on Washington's birthday, Bi-State Transit will operate regular weekday bus schedules on Monday, Feb. 16. Robert J. Baer, executive director of the Bi-State Development Agency, said Wednesday.

Abby Lynn Cotter and Darrol Daugherty wed

Miss Abby Lynn Cotter, a daughter of Mr. and Mrs. Melvin Gene Cotter, 603 English Place, and Darrol Lee Daugherty, a son of Mr. and Mrs. Darrol M. Daugherty, 609 English Place, were united in marriage on Jan. 24 at the Mitchell United Presbyterian Church.

The Rev. William Reipschlagger officiated at the double ring ceremony at 6 o'clock in the evening, before an altar adorned with pine boughs and red and white carnations and flanked with branched candles holding burning tapers. For her wedding, the former Miss Cotter chose a long white

doeskin satin gown styled along princess lines with a high stand-up collar, edged with tiny lace, and long tapered sleeves.

A front panel of lace over red doekin extended from the neckline to the skirt. The hem was encircled with a wide gathered flounce to create the chapel train.

Gathered lace formed a sweetheart design on the yoke and caplets at the shoulders.

Her melody-length veil of illusion was edged in wide lace and attached to a lace covered chapel cap, trimmed with iridescent beads and pearls. She carried a crescent style bouquet of white carnations and

pom poms, red Sweetheart roses, pine branch tips and pine cones.

Miss Mary Ann Clausen of Wood River served as maid of honor. Her red polyester crepe gown was fashioned like the bride's dress with an open sweetheart neckline.

She wore a headpiece of roses, pom poms and greenery in her hair. Attending the groom as best man was Rich Carper. Rich Cox and Gary Jordan escorted the guests to their seats.

Miss Diane Marcus attended the guest book at the reception held at the American Legion Hall, 1825 State St., after the service.

Following the church rehearsal, a dinner was hosted by the groom's parents in their home.

Mrs. Cotter, mother of the bride, selected a formal gown in gold doubleknit, featuring an empire waist, long sleeves and jewel neckline.

The groom's mother, Mrs. Daugherty, was attired in a long mint green knit dress in empire

design, accented with covered buttons and a jewel neckline.

After a wedding trip at Pere Marquette Lodge, the couple is now residing in Granite City. The bride is a senior at Granite City High School North, where she is a member of the Steel City Belles, pom pom squad, National Honor Society and Modern Music Masters. She will graduate in June.

A 1975 graduate of North High School, the groom is now employed at Chris Kay Plastics Co. in Madison.

Out-of-town guests included Mrs. Alma Land and Roscoe Daugherty, grandparents of the groom, and Mr. and Mrs. George Land, Mrs. Norma Peterson and son John, Mr. and Mrs. Harold Arnett Jr. and son Dale, all of Merom, Ind.; Mrs. Hattie Land, the groom's great-grandmother, Mr. and Mrs. Mervin Boone and Ron Wesner, all of Sullivan, Ind.; Mr. and Mrs. William Morgan and Jody, Mrs. Joseph Young, and Kent and Steve, all from Vincennes, Ind., and Mr. and Mrs. Harold Smith of Benton, Ky.

MR. AND MRS. DARROL DAUGHERTY, who were married at the Mitchell United Presbyterian Church. The bride is the former Miss Abby Lynn Cotter, a daughter of Mr. and Mrs. Melvin Gene Cotter, 603 English Place, Mitchell. (Hollywood-Andrew Studios)

Schools to honor Susan B. Anthony

"Intelligence, fortitude, courage, persistence in the pursuit of right in the face of years of opposition—all these qualities are admired by Americans—and usually are attributed only to men," noted Dr. Joseph M. Cronin this week as he called for commemoration of Susan B. Anthony's Feb. 15 birthday in all Illinois elementary and secondary schools.

State superintendent of education, he said that she had such qualities and "worked throughout her long life (1820-1906) for human justice and legal equality for all."

"Whether she was leading a movement for the abolition of slavery, organizing a nationwide group for women's suffrage, editing a newspaper, writing a history book or traveling in a sleigh through a blizzard to speak out for women's rights, Susan Anthony

was an American of whom we all should be proud," Cronin said. "My five daughters and I are glad that the Illinois legislature and governor have designated her birthday a commemorative holiday. I ask that our schools and citizens honor her memory and her deeds."

"On behalf of the State Board of Education, I designate Feb. 15, 1976, as Susan B. Anthony Day in the elementary and secondary schools in Illinois and urge both educators and students to honor her memory with appropriate ceremonies and events on the nearest school day."

Gov. Reagan leads farm group poll

A poll of livestock farmers shows a slight preference among them for Republican candidate Ronald Reagan over President Ford, majority approval of Secretary of Agriculture Earl Butz's performance, and strong support for grain exports to Russia.

Most farmers rated the job Secretary of State Henry Kissinger has been doing as "good" or "excellent" but gave a low rating to the performance of Congress. The poll was part of a marketing survey conducted by a public opinion firm for A. O. Smith Harvestore Products.

It involved a cross-section of owners of Harvestore livestock feed processing systems. Totals of 876 to 885 farmers out of 1,200 queried replied to various questions in the mail survey taken in November and December.

Results of the poll were released this week by A. O. Smith Corp., parent company of Harvestore Products. The Harvestore owner group polled is composed of dairymen, beef producers and hog farmers from all parts of the nation.

Harvestore Products surveys are conducted to develop information used in planning marketing strategy and to keep abreast of product performance. They are accomplished through mail questionnaires, using a pre-selected panel of farmers to represent a cross-section by geographic location, livestock enterprise and level of capitalization.

The survey showed differences in opinion among farmers in different livestock enterprises. In presidential preference, for example, dairy farmers preferred Pres. Ford over former California Governor Reagan, 23 per cent to 20, even though the entire group as a whole favored Reagan over Ford 26 per cent to 22.

Both Republican and Democratic candidates were included in the poll. U. S. Senator Hubert Humphrey (D-Minn.) received slightly more "votes" than the other Democratic candidates but considerably fewer than Reagan or Ford.

Alabama Gov. George Wallace was close behind, followed by U. S. Sen. Edward Kennedy (D-Mass.). No Democratic candidates were favored by more than nine per cent of the farmers.

Fifty-three per cent selected Republican candidates, while 32 per cent chose Democratic candidates. Fifteen per cent indicated they had not made up their minds about any of the candidates or did not favor any one candidate on the list.

About two-thirds rated Sec. Butz's performance "excellent" or "good" and about the same number rated Sec. Kissinger at those levels. Butz, however, received twice as many "excellent" ratings as Kissinger.

Twenty-three per cent of the farmers rated the performance of the U. S. Congress as "excellent" or "good," although only one per cent felt it was excellent. Forty-nine per cent rated it as "poor" and 28 per cent "very poor."

The farmers were questioned about selling grain to Russia and 85 per cent of those responding said they favored this action. Only 10 per cent were opposed and five per cent had no opinion. Beef and hog farmers favored this idea slightly more than dairy farmers.

Frank Beal dies at 67
Frank Beal, 67, of 2670 Lincoln Ave., was taken from his home by ambulance to St. Elizabeth Hospital where he was pronounced dead upon arrival at 7:25 a.m. Monday.

He had been retired during the 1970's.

Mr. Beal is survived by his wife, Mrs. Mildred Beal. Funeral services were held in Arkansas.

Graduate student stipends

The Graduate School of Southern Illinois University at Edwardsville is seeking applicants for a number of special graduate awards available for students of high academic ability.

The awards provide a tax-free stipend of \$275 per month and a remission of tuition for the academic year. Last year, 20 awards were given.

"The intent of these awards is to recognize and encourage students who have shown outstanding potential as revealed through past academic records, letters of recommendation and other evidence of outstanding achievement," David G. Brown, acting assistant dean of the Graduate School, said this week.

"The Graduate School anticipates that the awards will aid in the identification and motivation of outstanding students from other universities as well as SIUE," Brown added. Special graduate awards are presently held by degree-seeking students in art, city and regional planning, counseling education, English, instructional technology, mass communications, music, nursing, physical education, psychology, sociology, and speech pathology and audiology.

Brown said applicants should have a 4.3 overall undergraduate average (A equals 5.0) and be prepared to initiate or continue graduate studies on a full-time basis. Each must secure an application for admission to Graduate School and a special graduate award application from the Graduate School office, located in Room 2202 of the General Office Building.

Applicants also must be admitted to the specific graduate program in which they wish to study.

Deadline for all application materials is March 5. Successful applicants will be informed by April 2.

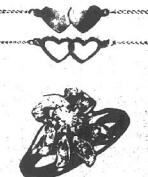

No politics by Manpower staff

Dan Churovich, director of the Office of Manpower Development in Madison and Bond Counties, has advised the employees not to wear political buttons or solicit votes during working hours, serve as poll workers, display signs on cars used in their work, join political fund committees or contribute to such funds.

Violation of federal Hatch Act rules could lead to discharge, he said. The regulations permit expressing political opinions while off duty.

Store robbed 2nd time in 10 days

For the second time in 10 days, an armed robber took cash from the Ridgefield Confectionery, 2500 Nameoki Road, taking about \$50 during a robbery at 7:40 p.m. Wednesday. Police said two suspects are in custody in connection with yesterday's robbery.

In the first robbery this month, Feb. 2, two robbers took \$45 from the confectionery.

Last night, one man entered, displayed a small caliber bullet revolver and told a clerk, "Give me the money."

The clerk complied and the robber told a second employee, "Keep your hands on the counter and don't give me no business."

He put the \$50 in change and

small bills in his coat pocket and ordered the employee to lie on the floor. He then went out the front door and ran through Kirkpatrick Homes.

The robber was described as about 5 feet, 4 inches tall, weighing about 160 pounds, having freckles and wearing a blue stocking cap and a brown corduroy coat.

Police said two men were arrested in Madison last night and are being questioned.

Auto goes into ditch

Janel Owens, 30, Rosewood Heights, was injured when her car went into a ditch along State Adule 35 about three-tenths of a mile west of Route 157 at 8:20 a.m. Tuesday.

A witness said he saw the right front tire of her subcompact leave the pavement onto the soft shoulder. She brought the car back onto the roadway, but lost control and it crossed the road and went into the ditch on the north side.

Janel Owens was taken by ambulance to St. Elizabeth Hospital where she was treated for a contusion to her head, a possible concussion, a back muscle strain and a contusion to her left shoulder. X-rays were taken here and she was transferred to Firmin Desloge Hospital, St. Louis.

FRANK ZIMMER, 81, of 2113 Garfield Ave., who died Sunday evening. Services were held Wednesday at 1 p.m. at St. Elizabeth Catholic Church. Burial was in Calvary Cemetery, Edwardsville Township.

Mrs. Maxville dies at 68

Mrs. Edith F. Maxville, 68, of 2823 Marshall Ave., a resident of Granite City 40 years, died at 7 a.m. Wednesday at Barnes Hospital, St. Louis.

She was born in Mountain Grove, Mo. A member of the Freeville Baptist Church, Mrs. Maxville also belonged to the Artist Guild of St. Louis.

Her husband, Moses Maxville, died Dec. 7, 1973. Survivors include two sons, Dale and Donald Maxville, both of Collinsville, two daughters, Mrs. Ray (Delta) Welshan of Granite City and Mrs. Virgil (Dovie) Thurston of Collinsville; six sisters, Mrs. Opal Maxville and Mrs. Ruth Brown, both of Granite City; Mrs. Ethel Freeman and Mrs. Ollie Watson, both of Mountain Grove; Mrs. Vada Smith of Porterville, Calif., and Mrs. Ardeana Rafferty of Oregon, seven grandchildren and seven great-grandchildren.

Funeral arrangements are given in the obituary column.

Two suspects held in Clark station robbery

An armed robbery of the Clark Service Station, Highway 111 and 162, was reported to Pontoon Beach police at 8:05 p.m. Wednesday. The amount taken was not immediately determined, but it was reported to be less than \$100.

Pontoon Beach police put out a radio description of the car. While on patrol, Madison police stopped a car occupied by two persons at 8:30 p.m. as it was making a left turn at Edwardsville Road and McCambridge Avenue in Madison.

Police searched the car and the two men.

A .25 caliber pistol allegedly was found hidden between seats on the passenger's side.

Police said they also found 25 caliber ammunition in the pockets of one of the men, along with four \$10 bills, two \$5 bills, \$10 one dollar bills, and what is believed to be cannabis.

The two suspects, ages 24 and 28, listed Granite City addresses. They were scheduled for a lineup this morning at the Granite City Police department. Both are being held in custody pending possible charges later today.

Arthur Flannery, 53, dies
He was born in Glen Carbon. Mr. Flannery was a retired equipment specialist with the Army Mobility Command in St. Louis.

A member of the First United Presbyterian Church, Granite City, he also belonged to American Legion Post 119 of Edwardsville and the Society of American Military Engineers, St. Louis.

Survivors include his wife, Mrs. Florence (Cooper) Flannery; two sons, Ronald Flannery of Peoria and Marvin Flannery of Tooele, Utah; his mother, Mrs. Sophia Spahn of Seattle, Wash.; two brothers, James Flannery of Bethalto and Robert Flannery of Cottage Hill; two sisters, Mrs. Dorothy Dunaway of Seattle and Mrs. Oscar (Betty Jean) Brown of Hartford, and two grand-children. His father, Norman Flannery, preceded him in death.

Funeral arrangements are given in the obituary column.

Red Cross helping in Guatemala
Cash contributions are being accepted by the Tri-City American Red Cross chapter for victims of last week's earthquake in Guatemala, Mrs. Mildred Meehan, executive secretary, has announced.

Checks may be made payable to the American National Red Cross and mailed to the Tri-City Chapter, American Red Cross, 2021 Edison Ave., Granite City, 62046.

"Please write 'Guatemala Disaster' at the bottom of your check, and all donations received will be restricted for the purpose of helping the victims of the earthquake," she said.

American Red Cross Staff people in Guatemala City report that Red Cross relief centers have been set up and are functioning there in and surrounding areas.

Five additional American Red Cross disaster specialists are enroute to Guatemala to assist the International Red Cross League. Food is available there but transportation in the stricken areas is difficult as roads are blocked, it was noted.

Mrs. Meehan added that "some local families have heard from relatives in Guatemala. One woman in this region has a daughter who is serving as a missionary there."

Brawley resigns
Jimmie Brawley, 27, a probationary patrolman who joined the Granite City department Jan. 15, resigned during the past weekend effective Feb. 15, it was learned.

Official confirmation was unavailable today. The resignation will not become final until acted on by the City Council, which will meet Monday night.

News notes

A long-awaited decision on what amounts of state aid elementary and secondary schools may be made by the State Board of Education was given Tuesday by Judge J. Valde Ackerman (Sangamon County Circuit Court) in Springfield. He ruled that the payments must be made according to the amount appropriated by the legislature and approved by the governor rather than according to a full-funding formula. State Sup. Joseph M. Cronin said several hundred school districts will face deficit financing with no short-term relief this winter.

A new method for reimbursing hospitals that treat Medicaid patients was approved Tuesday by State Public Aid Director James L. Trainer. However, he said he cannot implement the plan until he hears from the U. S. Department of Health, Education and Welfare or until there is a favorable court ruling. The plan proposes establishment of more generous temporary interim rates.

Talent scouts for Six Flags Over Mid-America will be auditioning singers, dancers and other variety entertainers for 1976 show productions at 7 p.m. Tuesday, Feb. 17, at Southern Illinois University at Edwardsville, Meridian Hall in the University Center. Show auditions are open to high school and college students, 16 or older. Registration will begin 30 minutes prior to the beginning of auditions.

A Bicentennial celebration at the Nameoki School auditorium at 7 p.m. Tuesday, Feb. 17, will feature 300 costumed students in songs and dances tracing U.S. history.

A report will be completed in March on an Army proposal to move aviation research programs from logistical operations of the aviation Systems Command, St. Louis. Potential sites include Langley Air Force Base, Va., and Moffett Field, Calif.

The Southwest Chapter of the Illinois Audubon Society will hold its 16th annual eagle census Saturday, commencing at 9 a.m. The group will meet at the levee near the Jefferson Barracks Bridge on the Illinois side of the Mississippi River. The area covered will be on top of the levee to Fort Charles State Park. The trip will be by car and a picnic lunch is to be held at the park. On Feb. 8, 1975, 24 eagles were counted on this trip. The entire river count from Lock and Dam 3 into Kentucky was covered; 1,012 eagles were counted by many groups, each covering a 50-mile area along the Mississippi and Illinois Rivers.

Dakin Williams, a Collinsville lawyer, filed two suits Wednesday at the federal court in Chicago, seeking to be restored to the Democratic governor primary ballot.

Forty-four federal judges filed suit in Washington yesterday, alleging that a pay package and inflation combine to violate the U.S. Constitution's ban on their salaries being "diminished" by the other branches of government.

Congressional investigators charged yesterday that the Supplemental Security Income program lacks adequate controls to bar fraud by Social Security employees, welfare recipients and state agencies.

U.S. Senator Adlai Stevenson (D-Ill.) left Tuesday night to study oil and oil pricing in

Egypt, Saudi Arabia, Iraq, Iran and Israel.

Congress completed action this week on legislation to ban surcharges on credit card purchases. The bill permits five per cent discounts to cash buyers.

Franklin Lunding Jr., State Board of Elections chairman, this week announced a major drive against election irregularities. Poll watcher seminars will be held throughout Illinois, and state personnel will join local election authorities in responding to complaints on the day of balloting.

Liquidating Grant firm

W. T. Grant Co., which formerly operated a large and busy store in Granite City, agreed Wednesday to be liquidated within 30 days—believed to be the largest retail chain failure in history. As of Jan. 29, its assets were \$512 million, including \$45 million inventory, but there were liabilities of \$1,110,000.

The final blow was increased reluctance by vendors to ship merchandise to the firm in the quantities needed to schedule sales events.

National Steel tin discounts

National Steel Corp. yesterday announced price discounts on tin mill products, in the hope of making them more attractive than aluminum to producers of soft drink and beer cans.

Effective today and through Feb. 28, 1977, there will be an allowance of 25 cents a base box to its 50-pound base weights of electrolytic tinplate, tin-free steel and black plate used in three-piece cans.

There will be a 30-cent discount on products used to make drawn and ironed can bodies for two-piece beer and drink containers. The discounts are estimated at \$10 a ton. A base box consists of 12 sheets of 14x20-inch size, or 217 square feet.

\$1,900 fire loss

Fire in a storage building at the rear of 1832 State St. resulted in \$1,900 loss to its contents, printing paper, at 10:50 p.m. Monday. The building is owned by Ben Zimring.

Authorities suspect arson since pry marks were found on the door which was left open. Firemen were there 25 minutes.

LOOT, DAMAGE CAR

A radio and a tape player were stolen from the auto of Bill Scarborough, 1004 Kirkpatrick Avenue, parked near his home, it was reported at 7:40 a.m. Tuesday. The cloth top and the seats also were cut extensively with what police believe was a knife.

Homemakers in observance

The Illinois State Association of Future Homemakers of America observed national FHA-HERO (Home Economics Related Occupations) week Sunday through Wednesday.

Focusing on the theme "Reaching Out Through Vocational Education," they joined a half million other members throughout the country in exploring the multiple roles individuals play in family, community and career life.

The results of their efforts are

active involvement in home, civic and school projects, growth in individual leadership, team work experience and vocational orientation.

For over 30 years, the organization through its FHA and HERO chapters has provided worthwhile experiences which have helped young men and women prepare for the important responsibilities of their future as parents and adult citizens.

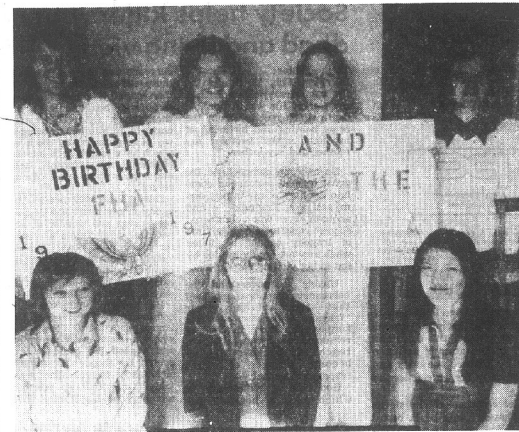

Dianne Winkelman, president of the Illinois FHA-HERO state association explained, "We observed National FHA-HERO week because we are proud of our organization and wish to develop a public consciousness of some of the values we gain from membership."

With the coming of 1926, the vocational high school clubs separated from the college clubs and Adah Hess, state supervisor of Vocational Home Economics, was the first state sponsor. This first separate meeting was held in Springfield in October. Once again, Illinois was first in the nation leading with a membership of 2,617 girls in 82 clubs.

Ten years later, Illinois had the largest group in the United States with 303 chapters and 14,668 members.

During 1945, the Illinois Student Homemakers was changed to Future Homemakers of America. Enrollment was limited to high school girls and boys who were or had been enrolled in a high school homemaker program. Each member paid 10 cents annual national dues in addition to state and local dues as decided by the chapters. This new national association gave members the opportunity to participate in many services of the national and state chapters and to receive Teen Times and other materials from the U. S. Office of Education.

In 1974, the Illinois Association of FHA-HERO signed a contract with the Division of Vocational and Technical Education for funds based on members enrolled in approved occupational classes. The monies could be spent for salaries and for the production and distribution of information. Today high school home economics teachers serve as advisers to the 11,500 local FHA-HERO chapters throughout the country.

Luncheon for Church Women representatives

The first of a series of three luncheons to be held this year by the executive board of Church Women United was held Monday at Central Christian Church.

Guests, who included church representatives and volunteer workers in the group's projects, were welcomed by the president, Mrs. Ronald Pennell, who explained the twofold purpose of the event—to assure open communication between Church Women United and its member churches, and to express appreciation to the representatives and volunteers for their help.

Mrs. Pennell emphasized that the luncheon is financed by personal donations from the members of the executive board, and that no funds from the treasury are used.

Project reports were given by the chairmen of the various areas of concern. These include: CROP, Mrs. Dee Roberts; Senior Service, Mrs. Grace Lenzing; Circle of Prayer, Mrs. Sharon Rush; Blood Program, Mrs. Helen Baran; Friends in Learning, Mrs. Alice Hunsinger; Nearly New Clothing Center, Mrs. Vanetta Leimkuhler; and Layette Project, Mrs. Ellen Elbert.

Mrs. John Gordon, vice-president, reminded the group that the World Day of Prayer celebration will be held on March 5 at the United Methodist Church of Madison at 9:30 a.m. The theme of the day will be "Prayer for the World."

Mrs. Gordon also announced that a proposed new area of involvement of the group will be examined at a workshop to be held on March 24 at Concordia Lutheran Church.

Entitled "Project Compassion," the thrust of the program is to train visitors of those persons who are home-bound or in a nursing home to relate more comfortably to their confined friends or relatives.

The workshop, under the direction of Dr. Daniel Jungkuntz and Mrs. Dorothy Erickson of the St. Louis Lutheran Mission Association, will be limited to 100 persons. Reservations may be forwarded to Mrs. Gordon, 3152 Colgate Drive, Granite City.

Nameoki Township may ask for census

Nameoki Township officials are considering calling for a special census in the township, which could increase the amounts of motor fuel tax and federal revenue sharing money the township government would receive if the census shows an increase in population.

The move would be similar to one taken in the summer of 1974 by Pontoon Beach, in which about \$1,820 was expended for a new village census. The census showed 3,128 persons residing in the village an increase of 680 over the number counted in the 1970 federal census.

Motor fuel tax and federal revenue sharing are distributed to cities, villages, townships and counties on the basis of the latest official census totals and translate roughly to about \$10 per person. The Pontoon Beach census increased the village's annual receipts from these funds about \$7,000 per year.

At Monday night's regular Nameoki Town Board of Auditors meeting, Township Supervisor Louis Whitsell noted the U. S. Office of the Treasury has requested that the township approve continued distribution of federal revenue sharing funds on the same basis used last year, including the 1970 census population estimate.

Whitsell said he feels Nameoki Township has grown since 1970 and feels a new census may result in higher distributions of motor fuel tax and revenue sharing to the township.

The 1970 census showed 14,117 persons residing in Nameoki Township. Estimates at that time predicted 15,431 residents by 1980.

Whitsell asked the board to consider whether it feels an unofficial census by township residents should be taken to determine if there are more

residents than the census bureau showed in 1970.

If an unofficial census does show an increase in population, the township can then determine if the increase justifies the cost of paying the census bureau to take a new census.

Whitsell said there is no

Slim's robbed

An armed robber took about \$65 to \$70 from an employee of Slim's Confectionery, 2047 Rock Road, at 9:40 p.m. Tuesday.

Herbert Lindner, who was in the store at the time, said a man about 28 years of age entered and asked to look at ammunition for a .35 caliber gun. He then asked to look at pump shotguns.

While Lindner was displaying one shotgun, the man showed an automatic pistol and told him, "I'll take the shotgun. This is a holdup."

He took Lindner's wallet and ordered him to lie on the floor and not get up, "or I'll blow your head off."

The robber then left through the front door.

Two witnesses who were outside at the time told police they saw a man run out of the confectionery carrying a shotgun. They said he got into a white 1964 four-door Chevrolet with brown primer paint on two left-side doors. Another man was waiting in the car and drove away with the robber.

They went south on Rock Road and turned right onto West 20th Street, the witnesses said.

They felt the robber and driver may have been 18 to 19 years of age, but their description of the robber

money in the budget for either an unofficial or an official census, so the issue may have to be considered at the annual town meeting before any action can be taken.

The board took the issue under consideration for future action.

matched Lindner's on the other characteristics.

The robber was about 5 feet, 4 inches tall, weighed about 150 pounds, had sandy shoulder-length hair and two or three days' growth of beard. He wore a winter jacket, blue denim pants and a light orange stocking cap, police were told.

Robert Cover dies at 40

Robert B. Cover, 40, of Chicago, formerly of Granite City and Edwardsville, died Tuesday morning at the Hennrich Hospital in Chicago.

He had been hospitalized for six months.

Survivors include his father, Henry Cover of Edwardsville; two brothers, Michael and William Cover, both of Edwardsville; two sisters, Mrs. Jack (Kathleen) King of Edwardsville, and Mrs. Henry (Betty) Faulkenberg of St. Louis.

Silvia Ireland dies at home

Silvia Ireland, 76, of Judsonia, Ark., formerly of the Quad-Cities, died Monday at his home of a heart ailment.

He resided here 40 years prior to moving to Arkansas five years ago.

Mr. Ireland was employed by the state at weighing stations before he retired.

Survivors include his wife, Mrs. Virgie Ireland; three sons, Silvia Ireland Jr. of Granite City, John Ireland of Galesburg, Ill. and Floyd Ireland of Judsonia; four daughters, Mrs. Mary Pisk and Mrs. Dorothy Slayton, both of Fresno, Calif., Mrs. Melba Jones of Granite City and Mrs. Lois McCarty of Cumberland City, Tenn.; 26 grandchildren and 14 great-grandchildren.

Funeral services were held at 2 p.m. Wednesday in Judsonia, Ark.

Snag on rescue truck

A plan for financing a new rescue truck for the Long Lake Volunteer Fire Department appears to have met a snag, just as the fire department was preparing specifications for bidding on supplying the truck.

The plan called for joint funding by the Madison County Community Development office and a federal revenue sharing grant from Nameoki Township.

The county appropriated \$35,707 of Community Development money for the rescue truck and the Nameoki Town Board agreed to give \$7,500 of its revenue sharing grant to the fire department.

A recent ruling by the Nameoki Township attorney, H. Carl Rung Jr., that revenue sharing money can not be "mixed" with other federal

money in any project, puts the plan in jeopardy.

Harold Davis, president of the Long Lake Fire Protection District trustees, wrote a letter to Louis Whitsell, supervisor of Nameoki Township, noting he doubted the truck could be purchased before the end of this fiscal year, which ends Feb. 29, and requesting that the township's Finance Committee carry over the \$7,500 appropriation to the new budget, reserving it for the same purpose.

The township has been seeking a way to legally purchase a van it could donate to the Pontoon Beach branch of Coordinated Youth Services, but that plan has encountered the same problem since other federal grants are given to the

Coordinated Youth program.

After reading Davis' letter, Whitsell asked Rung if he feels the Long Lake grant violates the federal revenue sharing rule that it not be mixed with other federal fund programs.

Rung said he will consider the issue. The request to transfer the funds to the new budget was referred to the township's Finance Committee and it is expected the money will be offered to the fire department in the new budget, unless Rung issues an opinion that it can not be done legally.

Whitsell asked Rung if he had reached an opinion on the van for Coordinated Youth Services and Rung said he would like to meet privately with the auditors after the town board meeting to discuss the

Tests continue

With 19 of 30 police hiring applicants passing agility tests during the weekend, a two hour and 15 minute written test will be given at the Elks Lodge 1063 basement starting at 9:30 a.m. Saturday.

One may be hired and others may be placed on an eligibility list. The previous Granite City list was completed with appointment of new policemen last month.

There were no announcements following the private session and the issue is expected to be considered further at the board's next meeting.

Suspect held

A 25-year-old Granite City man was being held today by Granite City police for questioning about a burglary at 11:25 p.m. yesterday at Clean Craft Cleaners, 2801 Madison Ave.

A witness telephoned police and told them a young man had just broken out a large portion of a front window at the cleaners and had gone inside. As police were enroute, the caller reported the man came back out and was walking south along Madison Avenue.

Officers arrested the suspect near 25th Street and Madison Avenue, but no charges had been filed today, pending further investigation. Officers of the cleaning firm reported about \$70 was taken from the cash register.

THEFT FROM HOME

A \$250 citizens' band radio was stolen from the home of Norman Sanders, 407 Braden Ave. It was reported at 8:55 a.m. Saturday. Sanders said there were visitors in the home between about 2 a.m. and 2:30 a.m. Saturday who may have taken the unit.

College level test Saturday

Southern Illinois University at Edwardsville will again offer interested individuals, young and old, an opportunity to earn college credit by examination through the College Board's College Level Examination Program (CLEP), according to Brooks Holder, assistant dean of the General Studies Division.

CLEP tests are administered at the college during the second week of every month. The next scheduled test will be this Saturday in Room 1310 in the General Office Building on the SIUE campus at 8:30 a.m.

In March, the CLEP examination will be given in two locations. Individuals can take the examination at Scott Air Force Base March 6 or at the SIUE campus March 13.

SIUE is one of more than 840 CLEP testing centers throughout the country. In less than three years, 667 persons from this region have been tested. To students attending SIUE, 3,674 quarter hours of credit were awarded upon successful completion of the CLEP examinations.

Introduced nationally in 1967

9 recovering after surgery

Patients at St. Elizabeth Hospital who have undergone major surgery since Monday:

Evelyn Holmes, 1612 Sycamore Ave.; Mary Weaver, 2253 Monroe Ave.; Shirley Heinbokel, 2954 Washington Ave.; Ronald Dison, 2460 Delmar Ave.; Charles Henry, Alton.

Doris Baker, 1329 Robin St., Venice; Hilda Buckley, 2429 Thirteenth St.; Roswell Kleinschmidt, 2117 Cottage Ave.; Timothy Pence, 507 Fillmore Ave., Venice.

The general examination measures learning in five basic areas of liberal arts, including English composition, mathematics, natural sciences, humanities and social sciences. The subject examination measures achievement equivalent to that gained in 41 undergraduate college courses. The College Board reports that 82,000 individuals took CLEP tests in 1974 through college and university testing centers. Another 6,000 candidates took the tests in

American installations overseas or at special testing centers established by government agencies, business and industry. Further information about CLEP can be obtained by writing the CLEP administrator, Box 44, SIUE, Edwardsville 62026 or by telephoning 692-2242.

People know a great car when they see it.

Chrysler Cordoba.

Is Cordoba successful because of its affordability?
YES!
 Cordoba's base sticker price is only \$5,392, excluding state and local taxes and destination charges. And that's thousands less than Thunderbird and Riviera!

Is Cordoba successful because of its looks and luxury?
YES!
 Despite its surprising affordability, Cordoba offers many luxuries standard. As for the looks, they speak for themselves.

Is Cordoba's success one of the reasons for its outstanding resale value?
YES!
 According to Automotive Market Reports, of all intermediate personal-size luxury cars, a one-year-old Cordoba returns the greatest percentage of investment based on original sticker price. In other words, Cordoba has the highest resale value in its class!

Jobless pay crisis needless—Howlett

Delayed payment of unemployment checks to jobless Illinois workers has resulted from incompetent management in the state administration, Michael J. Howlett, secretary of state, said Monday night.

Howlett, running for the governor nomination in the March 16 primary, addressed a dinner of the Knox County Democratic Central Committee.

"It is inexcusable that unemployed men and women, especially heads of families, must wait weeks and even months for their compensation checks," said Howlett.

"Unemployment compensation is not a gift from the government. It is a right, under law, for every eligible worker. Illinois, with its great diversity of industry, used to weather recessions with less unemployment than the national rate."

"Suddenly, unemployment in Illinois is higher, significantly, than national unemployment," Howlett stressed.

"As of December 1975, there were 469,000 persons unemployed and looking for work in Illinois — 9.3 per cent of the work force."

"The unemployed have more than doubled in two years."

"In the crisis, the Illinois Bureau of Employment Security has fallen down badly in handling unemployment compensation."

"Federal statistics show Illinois is one of the tardiest

states of the union in delivering the checks."

"In July 1975, the federal government criticized the bureau for poor organization, confusion, lack of planning, staff vacancies, dirty and unsafe offices and lack of communication and leadership."

"In the fall, months after the crisis started, the inexperienced political appointee who was head of the bureau was finally transferred."

"The major factor in the poor performance was the failure to fill staff vacancies as the workload increased, although the federal government would have paid the salaries."

"This bureau should be made to function at full efficiency. If it has 3,000 employees and issues 500,000 checks a month, all applicants would receive their benefits promptly if eight checks were produced per day per employee."

As governor, Howlett said, he would use his experience as a professional administrator to speed up jobs pay.

He said morale and productivity of Bureau employees "must be increased, and country claimants endorsed. Employees should be better trained. And an Advisory Board, mandated by federal law to oversee the Bureau, should be filled and working."

He charged that the advisory board has been inactive because Gov. Walker has failed to appoint members to it.

Program on woodland management Feb. 18

By RON CORNWELL

Agricultural Extension Adviser Madison County residents who own small or large acreages of woodland will be interested in attending the program on woodland management. The program will be Wednesday, Feb. 18 at the Farm Bureau auditorium in Edwardsville. The meeting will start at 7:30 p.m.

Ted Curtin, University of Illinois Extension forester, will be the featured speaker. He will talk about woodland management from the standpoint of improving a timber stand. The urban as well as the rural landowner will be interested in this meeting.

Dave Cooper, state forester, will be on the program with Curtin to discuss state nursery tree sales. He will have order forms available at the meeting for individuals interested in ordering state nursery trees. Cooper also will discuss the latest practices for reforestation.

Dale Sherrard will be on the program to discuss soils necessary for good forest production.

The program is sponsored by the Madison County Agriculture Extension Council Agronomy Committee. Leonard Schaefer is chairman of this committee.

An agriculture pesticide dealers clinic will be held Tuesday, Feb. 17 at Pontiac-Bowling Alley. Registration for the clinic begins at 8:15 a.m. Pesticides use and regulations change from year to year. This program is designed to keep the pesticide dealer and applicator current on the latest changes in pesticide use.

At 8:45 a.m. there will be a pesticide study session for the examination for the Agricultural Custom Spray Applicators and Operators License. The examination will be given at 2:45 p.m. by Juest Hogenkamp of the Illinois State Department of Agriculture.

GEORGE TELLER

Tellor heads Heart drive

Lt. Col. George Teller, assistant chief of police in Granite City, is serving as chairman of the Heart Fund drive in Granite City, Madison, and Venice.

Teller reported that he currently is in the process of recruiting two area chairmen, a business chairman and a road block chairman, for Granite City, and one area chairman for Madison and one for Venice.

Heart Sunday is scheduled Feb. 29, but various phases of the drive will take place prior to that date.

Teller noted that Heart Fund dollars have helped to speed development of research leading to improved methods for treating high blood pressure; the development of artificial heart valves and improved materials for synthetic artery grafts; the perfecting of artificial pacemakers implanted in the body to maintain regular heart rhythm; the introduction of coronary care units and updated education programs for physicians and nurses treating heart attack patients in these units.

Heart Fund donations, according to Teller, also have helped the perfection of methods of measuring the flow of blood in the heart and brain.

permitted early detection and care of blood vessel diseases, and have made mass public education programs possible, informing the public of what early warning signs of heart attack are and how to provide immediate care for the heart victim.

"I am confident the people of

the area will support the Heart Fund," Teller said.

"Few thoughtful people will argue the need to conquer heart and circulatory disease, because they strike so many, causing over 50 per cent of all deaths in America each year. All of us are acutely aware of the threat they pose to us and our families," he added.

Legislative conferences

Twelve regional legislative conferences are scheduled in late March and early April by the Illinois State Chamber of Commerce.

The meetings, to be hosted by State Chamber staff members in cooperation with area chambers of commerce and the Illinois Association of Chamber of Commerce Executives, will examine the outlook for the spring session of the Illinois General Assembly and advise businessmen and women on participating in the legislative process.

The conference schedule: Tuesday, March 23, Mt. Vernon, Holiday Inn (breakfast).

Tuesday, March 23, Collinsville, Holiday Inn (luncheon). Wednesday, March 24, Quincy, Holiday Inn (luncheon).

Thursday, March 25, Champaign, Ramada Inn (luncheon). Monday, March 29, Peoria, Hilton (luncheon).

Tuesday, March 30, Rockford, Hoffman House Restaurant (luncheon). Wednesday, March 31, Oak Brook, Sheraton-Oak Brook (breakfast).

Wednesday, March 31, Evanston, Holiday Inn (luncheon). Thursday, April 1, Chicago, Continental Plaza (luncheon).

Friday, April 2, Joliet, Holiday Inn South (luncheon). Monday, April 5, Springfield, Holiday Inn East (luncheon). Tuesday, April 6, Moline, Holiday Inn (luncheon).

The breakfast meetings start at 7:30 a.m. and adjourn by 9

a.m. Luncheon sessions start at 12 noon and conclude by 2 p.m. State Chamber President Lester W. Brann Jr., James H. Beaumont, government regulations department manager, and Paul Neal, legislative department manager, will participate in the sessions.

For registration information, Quad-Cityans may contact James Ahr, Illinois State Chamber of Commerce, 20 N. Wacker Drive, Chicago 60606 (312-372-7373).

Graduates as plane mechanic

An official at Sheppard Air Force Base, Tex., has announced the graduation of Airman Glen E. Wilson of Granite City from the U.S. Air Force aircraft mechanic course conducted by the Air Training Command at Wichita Falls.

Airman Wilson, son of Mr. and Mrs. Glen R. Wilson of 15 Victoria Drive, learned to maintain and service turbo-prop aircraft.

Completion of the course enables him to receive academic credits through the Community College of the Air Force. The airman is being assigned to Pope AFB, N.H. He is a 1973 graduate of Granite High School South. His wife, Margaret, is the daughter of Mr. and Mrs. Warren MacZura, 3208 Aubrey Ave., Granite City.

PONTON MAN HURT

William Krawczyk, 3801 Lake Drive, Lot 137, Ponton Beach, was injured in an auto accident and was taken by ambulance to St. Elizabeth Hospital at 4:35 a.m. Saturday. He suffered cuts to his nose and multiple abrasions. X-rays were taken of his skull, face, chest, left hand, both knees, right ankle and his spine and he was admitted.

Midnight Sunday license deadline

Secretary of State Michael J. Howlett has reminded Illinois residents that 1976 license plates must be displayed on all passenger and recreational vehicles, trailers and campers and motorcycles no later than midnight, Sunday, Feb. 15. Howlett last December authorized the only deadline extension from Jan. 1 to Feb. 15. New license plates are being sold over the counter at the three Motor Vehicle facilities in Chicago, the two Vehicle Service facilities in Springfield, currency exchanges and over 400 financial institutions throughout the state.

Church Women seek clothing center space

A series of fund-raising projects to help provide larger quarters for the Nearly New Clothing Center presently is being planned by the Quad-City Church Women United.

Services at the clothing center are made available to area families through referrals by recognized social-service agencies, according to Mrs. Ronald Pennell, Church Women United president.

Currently located at the Venice Homes, Fourth and Hampden Streets, Venice, the present center includes three rooms.

"There still is not enough space to service large families or accommodate persons arriving early for their appointment," Mrs. Pennell said. Clothing racks are jammed tightly next to each other and neatly stacked clothing is packed so close together, making it almost impossible to select a garment, the officer said.

The initial benefit project to help fund a new headquarters will be a rummage sale on April 1. Mrs. Pat McAmish and Mrs. Ellen Wilson will serve as co-chairmen, Mrs. Pennell announced.

The Nearly New Clothing Center concept originated in 1967 when Church Women United, working with Coordinated Youth Services (CYS), set up the clothing service for students in the basement at the CYS headquarters, 1255 Niedringhaus Ave.

The center was under the direction of Mrs. Joyce Schrader. She was assisted by Mesdames Betty Mobley, Shirley French, Vivian Guile, Dee Roberts, Lucia Allen, Margaret Rutter, Jeanne Beatty, Gladys Bass, Fern Mitchell, Myra Parrish and Marie Gordon.

Between September 1969 and January 1970, there were 186 children served. A total of 476 came to the center in 1971 and in January 1972 it was reported 548 applicants were assisted.

During this period the need for donated clothing skyrocketed and in the summer of 1974 the center was expanded to its present location.

At present, the center is

CROWDED CONDITIONS at the Quad-City Church Women United's Nearly New Clothing Center in Venice are evident as Mrs. Marcelle Rowold, a volunteer at the center, assists a young patron select a new dress for school. Fund-raising projects to obtain larger quarters are being planned by the Church Women United group, starting with a rummage sale April 1.

serving 302 families, or a total of 596 individuals, with 95 percent from the Granite City area.

All services at the center are handled by volunteer personnel, headed by Mrs. Vanetta Leimkuhler.

Mrs. Pennell explained that those seeking help at the clothing center are sponsored by a social worker, church, school counselor or referred by Coordinated Youth Services, Salvation Army or similar social-service agencies.

The center is now concentrated on helping all school-age children, but does provide some infant wear, Mrs. Pennell said.

A properly dressed child will have more self respect and a better outlook on society in general, Church Women United believes.

This is the primary purpose and their main concern in operating the center, officers emphasized.

Macrame classes start Wednesday

The art of macramé—creating a coarse lace or fringe by knotting cord, string or thread into a geometrical pattern—will be the subject of a special series of classes starting Wednesday at the Nameoki Recreation Center, Amos and Franklin Avenues.

Sponsored by the Granite City Park District, the classes will be taught each Wednesday from 7 to 8:30 p.m. at the center by Mrs. Judy Padgett.

The instruction is free to residents of the park district. The series will run for six weeks.

The initial project to be undertaken by the students will be hanging baskets, one of the most popular home accessories found in today's market, it was learned.

Participation in the course will be limited to 12 persons,

with registration on a first-come, first-served basis being taken at the Wilson Park office between the hours of 9 a.m. to 5 p.m. Monday through Friday.

At the time of registration, those taking part will be provided a list of supplies to bring to the initial class, a park district spokesman advised.

SUIT FOR \$400,000
Earl Scovae has filed suit in Madison County Circuit Court seeking \$400,000 from the Norfolk and Western Railway Co. He alleges that on Aug. 13, 1975, employed as a track inspector, he suffered a heart attack while attempting to lift a motorized vehicle onto railroad tracks.

First Assembly to show movie

Survival, a new color film, will be shown at First Assembly of God Church, 24th Street and Grand Avenue Sunday at 6:30 p.m.

Survival has been produced and is being released by Mark IV Pictures, Inc., of Des Moines, Iowa which specializes in making feature-length Christian films. Their two previous productions are Blood on the Mountain and A Thief in the Night.

Their third picture, Survival, was filmed in the Coconino National Forest in Arizona. It is the story of two menacing situations which engulf the Ryan family. Their small aircraft makes an emergency landing in the high desert country. Physical survival becomes their primary concern.

In an effort to get help, 12-year-old Mike Ryan takes his "survival manual" and sets out alone across the beautiful, but potentially dangerous, Arizona countryside. The perils of the desert—hunger, heat, rattlesnakes—oppose his efforts and threaten his life. A wounded cougar also picks up his trail.

Everyone involved in this life-changing, desert saga has the same goal... Survival.

CARLSON BURGLARY
The rear patio door and rear house door were pried open to gain entry to the home of Orval Overhuler, 3200 Carlson Ave., it was reported at 3:15 p.m. Monday. The house was ransacked. Stolen from the master bedroom were an automatic shotgun, a pistol, five or six boxes of ammunition, about \$220 in coins, a \$20 electric wrist watch and a \$20 watch.

Local secretaries to host state convention

The Granite City Association of Educational Secretaries will host the state meeting of the Illinois Association of Educational Secretaries April 24 and 25. It was announced by Mrs. Dorothy Luckert, president of the local chapter at a meeting last week.

Mrs. Arlene Haldeman, general chairman for the state meeting, reported that all committees have been formed and everything is on schedule for the convention.

In other business, the group discussed entering a float in the Bicentennial parade to be held July 3. Mrs. Luckert appointed Mrs. Nancy Rosales and Mrs. Lee Guenther to head the project.

Mrs. Ethel Weiss, program chairman, introduced Ron Pennell, a speech teacher at Granite City High School South who presented a program on "Oral Communication."

Mrs. Grace Hoffman, Mrs. Fern Helm and Mrs. Barbara

Lerner served as hostess, serving coffee and cake to the following members attending: Frieda Andrews, Lucille Caban, Alice Campbell, Janella Craycraft, Helen Favier, Lee Guenther, Arlene Haldeman, Phyllis Pickrel, Martha Rochester, Nancy Rosales, Pat Uzunoff, Gladys Wallace, Betty Williams, Ethel Weiss, Betty Harris, Vivian Hillen, Martha Katzman, Candy Kavala, Dorothy Luckert, Sonya Ohensian, Annette Landman and Berna Miliani.

Circle meetings are held at the church every Wednesday.

Mrs. Fox hostess to Honor Circle

Honor Circle met last week at Niedringhaus United Methodist Church for a morning quilting session and an afternoon meeting.

Hostess Mrs. Beulah Fox served a dessert course at noon. Scripture was read responsively, and it was reported that 28 sick calls were made during January.

Those attending included Mesdames Eva Evans, Augusta Pender, Winifred Reimers, Clara Wadlow, Pearl S. Campbell and a guest, Mrs. Edith Eberth.

Circle meetings are held at the church every Wednesday.

GRANITE CITY PRESS-RECORD Thurs., Feb. 12, 1976 Page 45

MADISON COUNTY ZONING ORDINANCE BOARD OF APPEALS

PUBLIC HEARING

Notice is hereby given that the above named Board of Appeals, established under Madison County Zoning Ordinance, will hold a Public Hearing on the 26th day of February, 1976, at the time and place as noted below for the purpose of hearing testimony for and/or against the following proposed change in the above named Ordinance.

At 9:50 A.M. on the petition of Leo Staunton, Owner of Record, and Ralph Guntly, Owner of Record of mobile home, and Jordan Cooke and Jerry M. Cooke, Purchasers-Renters and/or Occupants of mobile home, requesting a Special Use Zoning District in the 205.0 and 205.3 Subsection 205.0 of the Madison County Zoning Ordinance, 1975, in order to rent out the mobile home that is presently on the property by a previous Special Use Permit Zoning Board of Appeals Number 1597, due to the fact that my wife and I, due to our medical condition, can no longer keep up the mobile home and property and plan to go to a nursing home. In an R-3 One Family Residence District in Naticook Township, Ill. This property can be reached by taking Route No. 159 to Interstate 270 and take Interstate 270 to Route No. 111, turn onto Pontoon Road and follow Pontoon Road over Long Lake and turn to the right on Lake Drive which is the first street before A and J Market. Follow this to its intersection with Breckenridge which is a "T" turn right and follow for several hundred feet and property will be on the right hand side of the street.

Beginning at the Northeast corner of Breckenridge Addition (Plat Book 25 Page 25) which point is located on the West line of East 1/2 of the Northeast 1/4 of Section 3-3-9, thence North from said point along West line of East 1/2 of said Northeast 1/4 of Section 3 a distance of 1013 1/2 feet to the point, thence East at right angles to last mentioned course a distance of 209.2 feet to point; which is point of beginning of tract herein after described; thence continuing East along last mentioned course a distance of 100 feet to the high bank of Long Lake, go North along said highbank a distance of 96 feet, thence West upon a course perpendicular to the West line of East 1/2 of Northeast Quarter of Section 3 a distance of 100 feet to point; thence South perpendicular to last mentioned course a distance of 96 feet more or less to point of beginning of tract described, thence

The hearing will be held at the above described site.

MR. AND MRS. BRUCE HAYTER, who were united in marriage at St. Joseph Catholic Church. The bride is the former Miss Deborah Ann Drennan, a daughter of Mr. and Mrs. John Drennan, 2329 Edison Ave.

Hayter-Drennan nuptials at St. Joseph Church

St. Joseph's Roman Catholic Church was the scene of the wedding on Feb. 6 of Miss Deborah Ann Drennan, a daughter of Mr. and Mrs. John Drennan, 2329 Edison Ave., and Bruce Hayter, 6609 Devonshire, St. Louis.

The groom is a son of Mr. and Mrs. Fred Hayter, 1022 N. 45th St., Washington Park, Ill. Father Henry Mack officiated at the double ring ceremony at 7 o'clock in the evening. Escorted to the altar by her father, the bride wore a long white gown featuring a V-neckline defined with a wide band of lace.

Lace was repeated on the long slim sleeves and the gathered skirt terminated with a double flounce at mid-length. Kathleen Kunnenman served as honor attendant and Terry Siegfert attended the groom as best man.

A reception was hosted at 8

o'clock the same evening at the VFW Hall in Fairview Heights. The former Miss Drennan is a graduate of Granite City High School. Her husband was graduated from East St. Louis High School and Southern Illinois University at Edwardsville.

The bride-to-be place to be.

Work out many of your wedding details and have a great time, too, at our WELCOME WAGON Engaged Girl Party. Along with lots of other new brides-to-be, you'll meet a full range of wedding professionals who will discuss their services and answer questions you may have. Plan now to attend and bring a friend.

Tell City. The start of a beautiful relationship.

When you collect our Tell City Young Republic, you can just keep adding. Year after year.

It's all open stock. All decorator coordinated to go together. So the furniture you buy today will mix beautifully with the pieces you add ten years from now.

Your choice is tremendous. We have many different dining tables, chairs, hutches, serving pieces. Plus

matching living room and bedroom furniture, lamps and accessories.

Wear isn't really a problem either. The rugged hard rock maple is built to last a lifetime, even for families with children.

Come see Tell City. You and your children's children will be so proud of this handsome, nicely detailed furniture. And you'll save money by collecting, instead of replacing.

Gardening, home freezing series

Home Gardening, Pruning Shrubs and Trees, Home Freezing of Garden Vegetables and Care of Home Lawns will be presented by the Granite City Park District in a series of Tuesday night meetings starting Tuesday, Feb. 17.

All meetings will be held at the Nameoki Recreation Center, Amos and Franklin avenues, beginning at 7 o'clock.

Admission is free. However, registration at the Wilson Park office is required.

Wayne Siefert, a horticulture specialist from the University

of Illinois who is stationed at Edwardsville, will start the pruning series Feb. 17 and Feb. 24. Siefert presented a series of classes on house plants for the park district last fall, which proved popular and well-attended.

He will show slides and offer a 20 cent booklet covering all the common landscape plants in the St. Louis area. His final program on managing landscape turf on the home property will include slides, a reference sheet and a question and answer period.

Ron Cornwell, an agricultural specialist from the University of Illinois, will be in charge of the session on Home Gardens. As the advisor for Madison County, Cornwell's knowledge can prove helpful to those interested in turning a small portion of their back yard into a bountiful garden. Spot organizers of the course said. He also will answer questions after his presentation.

Mrs. Mary Yevin, home economist at Granite City High School South, will present a one-night session on Freezing and Canning of Garden Vegetables.

Mrs. Yevin will focus her instruction toward the average

homemaker by explaining the easy, simplified methods of preserving foods for the freezer or basement shelf. She will present ways of drying fruits and vegetables, as well as preparing them for cans or plastic bags, and hopes to assist many young homemakers who are anxious to learn ways to cut food costs.

Adequate shipping stressed

Illinois state government must take leadership in improving farm-to-market transportation, Michael J. Howlett said during the weekend.

Secretary of State Howlett is a candidate for governor in the March 16 Democratic primary. He addressed the 22nd annual state convention of the Illinois Farmers Union at Springfield.

"All Illinois is proud of the national leadership that Illinois agriculture has achieved," said Howlett. "We are the number one exporter of farm products."

"Illinois farmers help feed the world with their abundant yields. Illinois employs thousands in growing, moving and selling our farm products and in our rapidly expanding farm implement industry."

"There are more than a hundred thousand farm units in Illinois. Cash receipts from sale and movement of farm products in our state were \$5.7 billion in 1974. More than 35,000 farm trucks, not counting pickups, are used to move this produce to market."

"Adequate transportation facilities are essential to continued success of our farms. It will rise in importance as overseas demand for Illinois products increases."

"If farm transportation facilities deteriorate, our city dwellers will pay a hidden tax in rising costs for their food."

"The counties, townships and road districts have the principal responsibility for our rural farm-to-market road system."

Howlett said.

"Resources available to them have been substantially eroded in recent years by rapid inflation."

"The state must provide leadership in reviewing the adequacy of resources available to the local government units to insure that the farm-to-market road system is preserved and upgraded."

"Other examples in which state leadership is needed are in farm-to-market rail services."

"The annual crisis over availability of enough hopper cars during harvest time is one."

"The recent crisis over threatened abandonment of rail lines throughout Illinois is another."

"In rural areas, we need better bridges. It has been estimated nearly 47 per cent of all bridges in our township system are either closed or can't be used for school buses or farm trucks."

"As governor, I would work with local officials to seek ways to improve farm-to-market transportation."

"We should also review our inheritance tax laws, which make it difficult to hand down the family farm from generation to generation. Too many farms have to be sold to pay the estate tax when the owner dies."

"Good agricultural land should be saved for farm use wherever possible."

100,000 DRIVERS FAIL

EACH YEAR, over 100,000 licensed drivers fail the state written exam when they are re-tested. Experts say "The main reason is that rules, laws and traffic signs have changed and drivers just don't keep up with all the changes." When your license expires this year, you may be among the over half-million drivers that will be re-tested. If you're nervous about being re-tested and don't want the embarrassment of failing, here's good news! You can

now purchase your own sample test papers complete with the up to date questions, answers and international road signs you must know to pass your test. These test papers have helped thousands pass their test. Send \$9.00 plus 75 handling (check or money order only).

ENJOY A BIT OF AMERICA'S HERITAGE...
NATIONAL EXCLUSIVELY OFFERS FRESH BUFFALO
The Meat People bring you buffalo — a part of America's eating heritage, once near extinction, but now yours to enjoy with a promise of a taste treat as great as the big country from which it comes. After grazing on native grasses, U.S.D.A. supervised herds are then grain fed to insure a yield of rich, full-flavored meat. When cooked, uncovered at low temperature, the natural juices and characteristic fine textured tenderness of buffalo is preserved for your whole family to enjoy.
